

Year 7

My first week has been full of interesting activities.

In Maths, Mr Morris told some really funny jokes.

My favourite lesson was Art and Design because I got to be creative.

All the staff at Cox Green School are really friendly.

First week at Cox Green School

I liked the atmosphere of my science class and enjoyed how the lessons were being taught.

I couldn't wait to come to Cox Green School! At the end of the transition days, I asked if we could just carry on at Cox Green and start year 7 straight away!

Friendly Advice from our Year 7's

“My advice for the new Year 7 students next year is to not panic! You will have lots of people who will support you.”

“You will make lots of friends easily so don't worry.”

“Try not to lose your timetable!”

“Get up early so that you can be ready on time and won't be late for school!”

“Pack your bag the night before so you can be organised.”

“Listen to your teachers — they give good advice.”

“Don't be afraid to ask for help - everyone is so friendly and ready to help you.”
