

Friday 9<sup>th</sup> November 2018

Dear Parents/Guardians,

**Re: Whole school examinations 26<sup>th</sup> to 30<sup>th</sup> November 2018**

In order to prepare all of our students for the more rigorous national examinations we have introduced an additional mock exam period for all year groups. The rationale behind this decision is to help students practice and develop the exam based skills that will enable them to achieve their potential. In addition to this it will allow students to revisit prior learning on a more regular basis, which will help students to secure a more comprehensive understanding of the subjects they study.

Whole school examinations are due to take place during the week of Monday 26<sup>th</sup> to Friday 30<sup>th</sup> November. All exams will take place in lessons and the week prior to the exams will be spent actively revising in lessons as part of the preparation process, however it is important that students also revise for these examinations at home in the coming weeks. Students should be utilising the school online resources available to them, such as Doodle, when revising.

The timetables for each year group are set out below. Please note that exams will be sat in classes, so they will only sit an exam in a subject for the class they are in. For example, a Year 10 student in the 10A1 History class will sit their History exam during their lesson Monday period 2 and a student in the 10B1 History class will sit their exam Tuesday period 2.

The exams will cover subject material that was covered both this year and last year, with the exception of Year 7. This regular review of prior learning will mean that students revisit topics they may have learnt months before. The assessments will therefore provide a comprehensive insight into the areas of strength and weakness within each subject as well as an accurate judgement of the level each student is working at.

Yours Sincerely

Mr A Shields  
Deputy Head teacher
