

Wednesday 17th June 2020

Dear Parents and Carers,

We have had another extremely busy week, but without a doubt, the absolute highlight for all of us has been the return of a number of Year 10 students to school, and we are delighted that a number of Year 12 students will also be joining us on today.

Students have embraced the opportunity to engage in some face-to-face learning and we have all enjoyed seeing some different and happy faces around the site as well as the increase in noise levels – it really has been too quiet without our students!

We are all learning how to work within the restrictions of our “new normal” but staff and students continue to adapt and rise to the challenge with a positive attitude. The social distancing is working well, and the Borough were very impressed with the measures that we had put into place to prepare for the safe return of our students to site this week!

Today we will be sending out a survey to parents regarding face-to-face academic mentoring sessions for students across Years 7-9. Year 12 parents will also be sent a survey for interest in attending lessons (approximately 2 ½ hours per subject) in the last week of term (13th – 16th July). Unfortunately, we are unable to accept any “yes” replies to the survey after 3pm on Friday 19th June due to the planning that is required and the strict student numbers permitted on site so please do respond before this time!

In the meantime, we would urge all students to continue to engage with our online learning provision and to email onlinelearning@coxgreen.com if there are any concerns. A member of the Leadership Team will respond as soon as they are able.

Yours sincerely

Cox Green Leadership Team
