

Friday 25th June 2020

Dear Parents and Carers,

I would like to take the opportunity to thank you all for the warm messages of support we have received following the email sent yesterday to all parents/carers by the Joint Chairs of Governors, regarding Ms Walsh. It is reassuring to know that the wider school community is so supportive and understanding of the changes taking place in such unprecedented times.

All staff are working very hard to ensure that the return to school now and in September is managed as positively and efficiently as possible. I am committed to ensuring that all our students and staff feel fully supported during this period, and that they thoroughly enjoy school.

A number of our Year 10 and Year 12 students have been on site this week for teaching sessions and Academic Mentoring. I am delighted that we also have over 300 students from Years 7, 8 and 9 attending 1:1 mentoring sessions on site over the next week. Our site team remain incredibly busy keeping the school sanitised and safe for the increased number of students attending school each week. I must also acknowledge all of the staff and students who have adapted so well to the social distancing and strict hygiene rules that we are following. It has been fantastic to have more of our students coming back on site, bringing the school alive again, as our school community begins to reunite.

As always, please do encourage your child to continue to engage with our online learning provision and to email onlinelearning@coxgreen.com if you have any concerns. Please kindly note that Year 12 parents/carers who have indicated that they would like their child to attend the on-site learning in the final week of term, will receive a letter confirming the final details over the coming week.

I look forward to working in close partnership with you.

With very best wishes for a lovely weekend.

Yours sincerely

Cathrin Thomas
Headteacher (Acting)
