

10th February 2020

Dear Parents and Carers

Update on School Closure

As you are aware, we had to make the difficult decision to close the school following significant damage to the roof of our Maths building sustained during the storm on Sunday. This was not a decision taken lightly, but we were unable to guarantee the safety of our students on site.

We have been working with the contractors all day to ensure the safety of both students and staff and I am delighted that we hope be in a position to reopen the school safely on **Thursday 13th February 2020**. Dining facilities will also be up and running by this time.

In the interim, work has been set on DODDLE and students should ensure that this is completed prior to their return to school.

In light of the enforced closure, the school production of Beauty and the Beast will be postponed to the week after half term. Confirmation of dates and timings will be sent in a separate letter.

A final decision will be made by 5pm on Wednesday evening to confirm Thursday opening and a text will be sent to parents. We ask that you also check the website for updates.

The health and safety of all students and staff is paramount, so a huge thank you to all parents who have shared their supportive comments with us, and for your patience and understanding.

Yours sincerely

Frances Walsh
Headteacher
