Dear Parent/Carer,

School PE Kit

Recently there have been many queries in regards to the school PE kit, so I wanted to send you this letter with some clarification.

Year 7 Students

Students should wear the newly released cox green PE uniform unless students have been passed down the old style PE kit or have originally purchased the old kit. Otherwise the new style kit includes:

- Black and green polo t-shirt
- Black and white mid layer top
- Black cox green shorts/skort
- Plain black tracksuit bottoms unbranded Black cox green tracksuit bottoms/sports leggings (optional)

Students should aim to wear plain black/non logo alternatives of the above items whilst they wait for their orders to arrive. At no point should students wear hoodies of any kind to school as part of their uniform. Students can wear a rain jacket in case of bad weather or to keep warm.

Year 8-11 Students

Students should wear their existing Cox Green PE kit which is mainly plain black with the cox green logo in white. If students in years 8-11 need to replace their uniform, then they will be able to purchase the newly released PE uniform via the website or by phone. Again, Students should aim to wear plain black/non logo alternatives of the above items whilst they wait for their orders to arrive. At no point should students wear hoodies of any kind to school as part of their PE or school uniform. Students can wear a rain jacket in case of bad weather or to keep warm.

Optional Extras

Students are able to purchase the below items as optional extras if they wish.

- Football Socks
- Football Shorts
- Shin Pads/Gum shield
- Football Boots
