Dear Parents/Carers

Following the PM announcement this evening please note the school will communicate with all parents and carers tomorrow morning once we have detailed information.

Please can I ask that you do not contact the school by phone or email. We appreciate these are uncertain times and we will be working on the detail of what the announcement means for all students and will communicate this to you as soon as we can.

Please note Online lessons will continue from 9am tomorrow morning as usual.

Students that have received confirmation from the school that they are eligible to be on the school site tomorrow should arrive at 9am and will undertake the CV-19 testing if their parents have consented.

Kind Regards

Cathrin Thomas
Headteacher
