Dear Parent/Carers

Over the next two weeks we will be assessing pupils in their literacy skills. They will do an online test called Lucid Exact which will assess their attainment in:

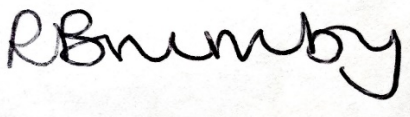

- Spelling
- Word Recognition
- Reading Comprehension
- Typed Dictation
- Written Dictation

These short tests will take one lesson to complete. The results are given as a Standardised Score with an average of 85-115 and will enable us to identify students that need ongoing support and/or who would be eligible for Access Arrangements during their GCSEs.

All students will need to bring headphones with them to enable them to hear the instructions and prompts during the tests. Students will be informed of their allocated time slot by their form tutor from Monday.

Should you have any questions, please don't hesitate to contact me.

Yours sincerely

Rebekah Brumby (Miss)

Assistant Headteacher
