

31/12/20

Dear Parents/carers,

I am sorry to interrupt your holiday again, but I trust you will have seen the news regarding the changes to the return to school dates.

On Monday 4th January a further message will be sent to all parents/carers of students who have consented to take part in CV-19 testing, detailing the arrangements.

Year 11 and year 13 students should **not now** attend school site (unless requested to come in for testing) until the 11th January 2021.

Years 7, 8, 9, 10 and 12 (whole year group) should attend school site (unless requested to come in for testing) as normal following the staggered start times **on Monday 18th January 2021**.

I thank you, once again, for your ongoing support and understanding with this further necessary government change and look forward to all students logging on **at 9am on Tuesday 5th January 2021** for their tutor time and then remote learning.

Wishing you a Happy New Year

Best wishes

Cathrin Thomas
Headteacher
