

6th January 2021

Dear Parent/Carer,

Re: Sixth Form Open Evening

We hope you have had a good Christmas, although it has been an unusual one for us all, and would like to wish you a happy and healthy 2021.

As you are aware, in the final days of term, our Year 11 students took part in their Sixth Form Taster Day. We were so pleased with their positive attitude towards the day; they were all enthusiastic and engaged during the sessions and important conversations were taking place across the year group about their next steps. As a Sixth Form team, we would like to thank the Year 11 students for their brilliant engagement.

It is now time for the next stage of our Sixth Form application process, the 'Open Evening'. Unfortunately, we will be unable to hold the event in person this year, as I am sure you understand, and instead will launch our new 'Sixth Form Virtual Open Evening' this Thursday, from 4pm. The video containing all the information you need about what Cox Green Sixth Form has to offer will be accessible via www.coxgreen.com/join6th

There will also be the opportunity to ask specific questions to the Sixth Form Leadership Team and subject specialists. Please complete the enclosed survey if you have any further questions about what we offer <http://cgss.co/6thform21>

We believe that we have made some very exciting changes to the courses we offer this year, widening the BTEC qualifications to include Criminology and Applied Science and introducing new A levels such as Film Studies and Politics (subject to viability). Continuing at Cox Green School will provide your child with further stability and ongoing pastoral support. Our course applications open from Friday 15th January and remain open until the end of this half term (Friday 12th February).

If you have any questions about the application at any time, please email us at: sixthform@coxgreen.com

Yours sincerely,

Charlotte Morgan-Russell
Assistant Headteacher
