Dear Parent/Carer,

RE: Year 10 GCSE Graphics - Payment towards the Specialist Graphics Pack

As a school, we are ambitious for all our learners and the Art department has always encouraged pupils to work productively in lessons and at home. As we are all aware, recently there has been a far greater reliance on independent home learning and students will need to use specialist equipment and materials for their GCSE Graphics studies. The school offers a good range of 'general' art materials, but we also strongly recommend buying an individual Graphics Pack. At this point in time, we are also mindful to reduce any hygiene risks from 'shared equipment' and therefore the need for students to continue using their own Specialist Graphics Pack is increasingly essential.

As usual, we will try to offer excellent 'value for money' by ordering items in bulk. This approach, enables us to provide great value with a Graphics Pack that can then be used in class and at home throughout the year ahead.

The Specialist Graphics Pack:

A3 Display Book	30 cm Acrylic ruler
Fineliners black pen pack of 12	Large Glue Sticks x 3
All-Media Cartridge Pad A3	Photo Print Credit

We would be very grateful if you could make your contribution of **£23.00** by using our on-line e-payment system, via your existing sQuid account.

Yours sincerely
