Dear Parents and Carers

Request for Assistance

Sadly, a number of our neighbours are experiencing difficulty leaving/accessing their properties at the beginning and end of the school day. This is due to a number of inconsiderate and illegally parked vehicles which is damaging to the relationships we have with our neighbours and so I am writing to you to request your assistance.

Please can I ask that you do not park on the grass verges or footpaths opposite the school as this is:

- dangerous to our students and members of the public using the paths;
- damaging the grass verges and paths;
- causing congestion and difficulty for other road users.

Whilst it is always disappointing to receive emails of complaint from our neighbours and this is a small proportion of drivers, we feel that we must bring this to your attention.

Many thanks for your cooperation.

Kind regards

Danny Edwards
Headteacher
