

## Dear Parents and Carers,

Sincere apologies! The link that was shared for last week's newsletter was incorrectly routed, so some of you may not have received the correct version. It is available on the website now!

Exam season is now well underway for our Year 11 and Year 13 students. I have every faith in you all, just stay focussed, keep up the revision and don't underestimate the power of relaxation when you are tired. It will help you refocus, if you take a short break occasionally.

We have two teams playing in football finals next week after some great wins in the semis. Best of luck to our U12 and U14 boys squads playing, we are all rooting for you! I was also delighted to read of the amazing athletics results in Years 7-10 and look forward to more in the coming weeks!

The launch of our Reading Week on Monday has been a huge success. Key Stage 3 students have been completing a reading activity, reading different types of texts across their lessons and building their cultural capital. This has also given staff the opportunity to further engage and encourage students to be inquisitive about their subjects, whilst also promoting reading.

A reminder please that students must wear tights with skirts until term 6. As the weather improves, blazers and ties must continue to be worn daily until students are directed otherwise.

Finally, we are extremely excited about an upcoming event that Manor Green are hosting on our school site next month. There are a number of schools within the Borough joining us to perform a Makaton event. Staff will be coming in to teach us the sign language that will be performed and there will be an open air performance on Friday 30th June. More information will be shared on tutor slides next week, but if any students would like to participate, please contact Miss Anderson who is leading the event.

Have a lovely weekend!

## Year 10 Through To Final

Year 10 watched on at the County Cup semi-final, with a penalty win against Windsor Boys. The boys were outstanding as a group and Kian was at the double again, in a game that finished 2-2 in normal time. They got all the way to their 8<sup>th</sup> penalty taker, but held their nerve to ensure a place in the County Cup final. Well done boys!

## History

Mr Green has been particularly impressed by the amazing History website created by Alexia in year 7!

Well done Alexia!

## DofE Gold Award

Massive congratulations to Alex Davidson for achieving his DofE Gold Award.

## Junior Biology Challenge

Well done to all of our students who participated in the Junior Biology Challenge this week! The challenge stimulates curiosity for the natural world and encourages students to take an interest in biology outside of school. We are look forward to seeing how our students achieve in this national competition and hope that even more students sign up next year.
