Newsletter 7th July 2023

Dear Parents and Carers,

We were delighted to welcome Year 6 students who will be joining Cox Green, for their two day transition experience this week, and we have been bowled over with what an amazing group of young people they are! In addition, I have been hugely proud of how our current students have welcomed them to our school community, exemplifying the Cox Green values, and reassuring those with nerves.

Well done to all who attended the RBWM Athletics Championships on Monday. We had over 50 students qualify on the team, and the PE Department were impressed by all who competed, showing determination, resilience and 100% commitment in trying their very best .

I was pleased to award more students with Gold and Trustee Awards this week—testament to the hard work and commitment to the school values our students continue to show. Well done all!

The two strike days this week meant that we had changes to our on site provision, but Year 9s enjoyed bespoke English and Science sessions, followed by an intro to their options, and Year 10 focussed on core subjects and coursework.

Year 11 students hoping to attend our 6th Form, joined us for their Transition day on Thursday and information has been shared with them all on how to book their interview on Results Day.

Year 10 are on Work Experience next week on 10th & 11th July, which I hope they will find both useful and enjoyable. Students who do not have a placement need to be in school, where there will be a program of virtual work experience and core subject provision.

A reminder please, that students must wear ties and blazers every day. If there are issues with replacing uniform items before the end of term, please do let us know, as we have a stock of spare and preloved items we can issue. Full school uniform is a non-negotiable and we really do not want students to start the day with a negative interaction by wearing incorrect and unauthorised items.

With best wishes for a lovely weekend, **Mr Edwards, Headteacher**
