

1. Click on Assignments

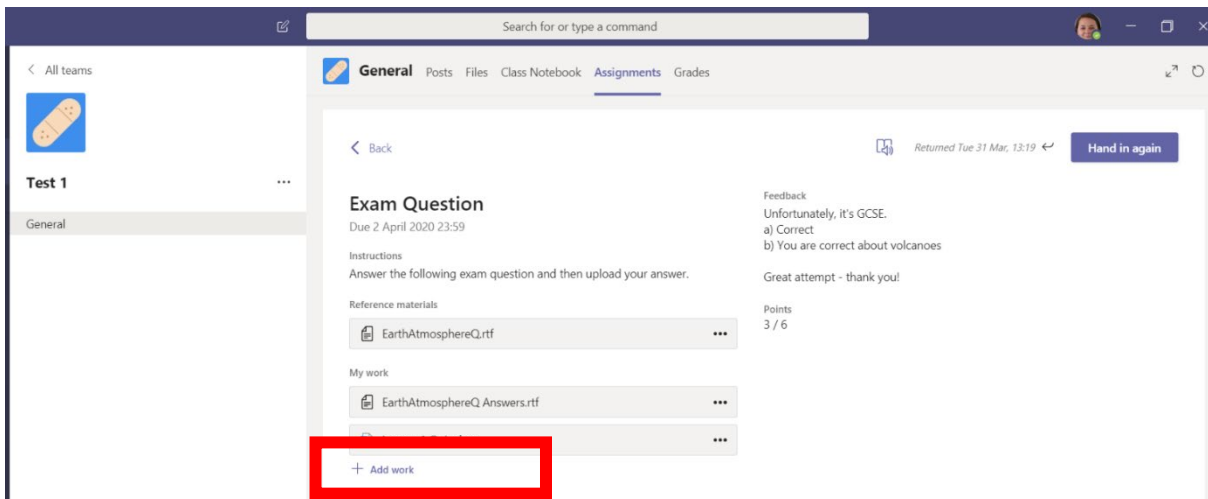

2. Click on the Assignment in which you need to upload work (for this example it is lesson one research table)

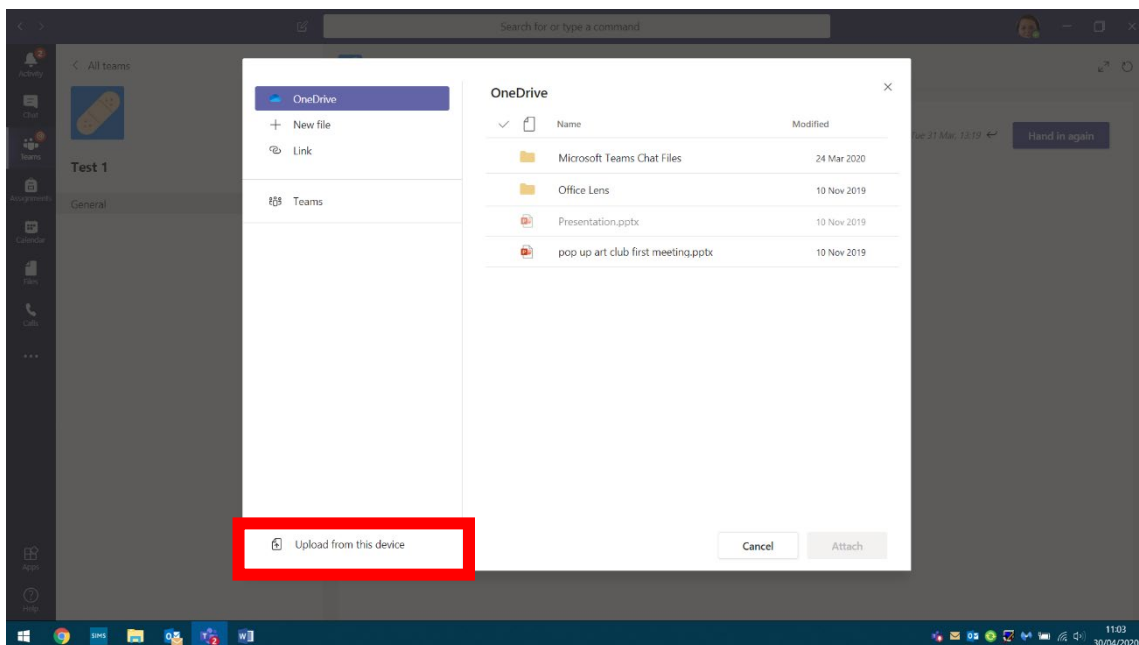

3. You can then download the document you need to complete the work you should press the three dots next to the resource materials (...) and then click 'download'

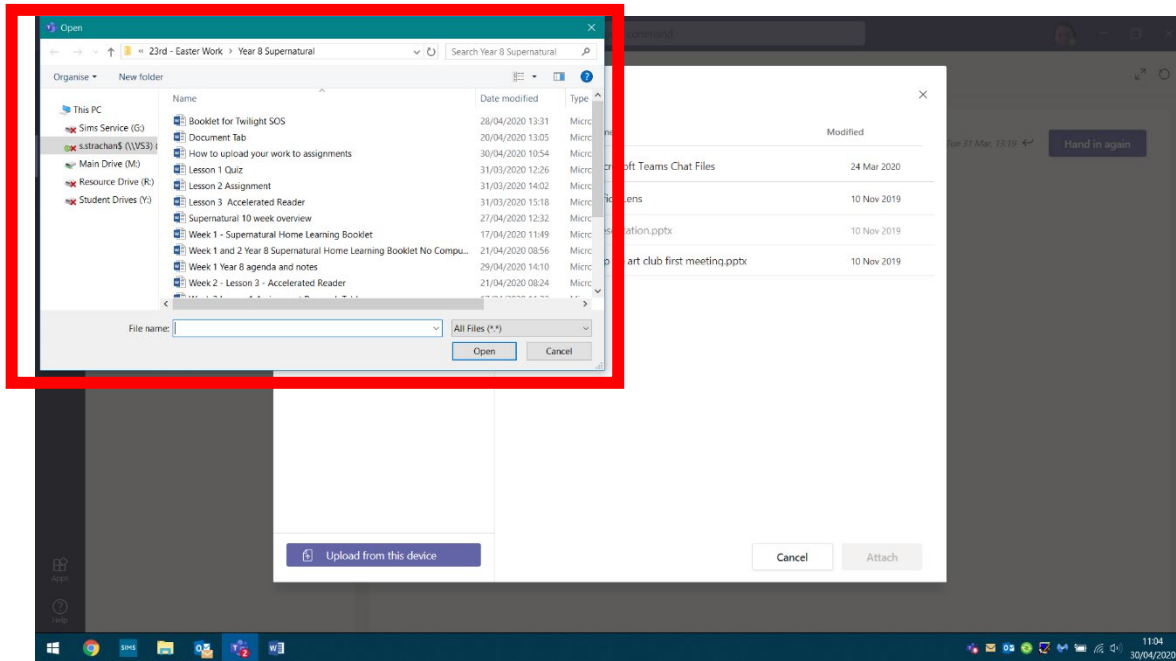

4. Once you have completed the work and want to re upload it: please click on '+Add Work'

5. You will then be taken to a screen like this where you will need to click on 'upload from this device'

6. This will then open your file explorer and you can pick the document you want to upload by clicking on it and pressing 'open'

7. Once the document has uploaded click 'done' and then press the hand in button
