Dear Students, Parents and Carers

Re: Teacher Assessed Grade Assessment Evidence

I hope you are well. I am writing to provide greater clarity regarding the evidence that was used to determine the teacher assessed grades for this summer's formal qualifications.

Please find attached with this letter a PDF document which details the assessment evidence used by every subject when determining the teacher assessed grades. All staff followed the process as set out in our Centre Assessed Grade Policy (published on the school website), which was produced based on the guidance issued by the JCQ and Ofqual.

The grading process considered suitable available evidence, any special considerations and a thorough moderation process to ensure all submitted grades were objective.

Please do not hesitate to get in contact if you have any questions.

Yours Sincerely

Mr A Shields

Assistant Headteacher
