Dear Driver

Re: Safe Parking

As you will appreciate, the safety of our students and local community is paramount to us. Unfortunately, poor parking decisions are putting people at risk.

There are large numbers of students being dropped off and collected at the beginning and end of school, across our school community. In addition, there are high volumes of pedestrians in the vicinity at these times.

Please ensure that you are parked safely and courteously in order to keep our whole community safe. You may wish to consider parking a little further away or car sharing to ease the congestion.

Drivers who are parked inappropriately or dangerously will be reported to the police.

We appreciate your ongoing support.

With kind regards

Danny Edwards
