Dear Parents/Carers

Re: Year 11 Intervention and Mentoring Schemes

We are writing to inform you about the intervention and mentoring schemes we are starting with Year 11 from the week commencing Monday 28th November.

There will be small intervention groups for Maths, English and Science each week during Tutor time on Tuesday's and Thursday's. On Friday's during Tutor time, all students will be looking at revision skills and techniques.

Students will still attend weekly assemblies and a wellbeing session every Wednesday during Tutor Time. Option subjects will get priority on interventions taking place after school.

Students not in the intervention groups will have the opportunity to do their own revision or revision in Computer Studies/PE or Art as these are the subject areas of the Tutors available. Subject teachers are also available to assist with revision for their subject.

Students will be told what groups they will be in during assembly on Monday 28th November and groups are fixed for this round of intervention.

We ask for your ongoing support in making sure your child attends school on time and are equipped for learning.

Please contact your child's Tutor if you have any concerns or queries or alternatively Mrs Bentham, Head of Year 11.

Yours sincerely

Faith Kirby
Assistant Head for KS4

Paula Bentham
Head of Year 11
