

11 September 2023

Dear Parents/Carers

### **Year 12 and 13 A Level Compulsory Geography Field Trip to Selsey – Tuesday 3 October 2023**

As part of the A Level Geography course, students are to complete four days of compulsory fieldwork in order to experience 'practical geography' and have hands on experience of collecting and processing data, in order to come to a substantiated conclusion to answer an enquiry question.

We have arranged for our Geography students to visit Selsey for their field trip, as this provides an ideal location to study coastal processes as well as human impacts in the town. Students will be divided into groups to complete data collection at sites, with each group led by a Geography teacher.

The cost of this trip is £5.00 per student and to confirm your child's place, we ask you to please make payment via your sQuid account. This will be open from today (closing: 10pm on Sunday 24 September 2023).

We will leave school at 8.30am and travel to Selsey by school mini bus, returning for 3.00pm (traffic dependant). Students should wear appropriate clothing and footwear suitable for the coast and weather conditions on the day (including being on the beach). Students should bring with them a full pencil case, including pencils as they will be drawing, along with a packed lunch, snacks and drinks to last the day. Students may wish to bring some money as there **may** be an opportunity to have some free time after lunch, before returning. Please note, eating and drinking on the mini bus is not allowed.

Should the school need to contact you in an emergency, we will use contact details supplied on your most recent OA4 Form (off-site activity form). If there are any changes to the details on this form, including any medical or dietary requirements, it is the parent/carer responsibility to inform the school.

All A Level Geography students are expected to attend this compulsory element, and if you have any questions or queries in the meantime, please do not hesitate to contact me.

Yours sincerely

Mrs L Elliot-Ling  
Teacher of Geography

***Please note:***

- *Places on all trips are subject to the school expectations for the Behaviour Policy being met. Any student who receives a suspension may have their place withdrawn from the trip and no refund will be made unless the place can be resold. In addition, if the school assesses that the attendance on a trip is a Health and Safety risk to the student or to others, a place will not be allocated to that student or a place will be withdrawn and there will be no refund made unless the place can be resold.*
- *Should the school need to contact you in an emergency, we will use contact details supplied on your most recent OA4 Form (off-site activity form). If there are any changes to the details on this form, including any medical or dietary requirements, it is the parent/carer responsibility to inform the school.*
