Dear Parent/Carer

Year 8 – New Scientist Live – Monday 14 October 2024

We have arranged a fantastic opportunity to take Year 8 Science students to the New Scientist Live festival, at the ExCeL London, on Monday 14 October 2024. With over 150 exhibits and features on the show floor, the festival aims to have students mind-blown by discovering science secrets that have changed our world. From the latest technologies, innovations and discoveries, this is an opportunity for students to take part in workshops and attend insightful talks from pioneering and inspirational speakers. We strongly recommend attendance to this event for students' that are considering future career choices in Science.

The cost of this trip is £33. There are 30 places available and will be booked on a first come, first served basis, via payment through your child's sQuid account. You will be able to this from 6pm on Sunday 29 September 2024 (closing at 10pm on Wednesday 2 October 2024). Please note that due to the nature of this trip, we are unable to refund the cost if your child is unable to go.

We will travel to London by coach departing school at 8.30am and returning for 4.15pm (traffic dependant). We ask you to please arrange collection of your child for this time. Students are to wear full Cox Green School uniform on this trip and are to bring their own packed lunch, drinks and snacks to last the day (please note that foods containing nuts/nut products are not allowed). As a reminder, the school mobile phone policy applies on all school trips and visits.

Should the school need to contact you in an emergency, we will use contact details supplied on your most recent OA4 Form (off-site activity form). If there are any changes to the details on this form, including any medical or dietary requirements, it is the parent/carer responsibility to inform the school.
