Dear Parent/Carer

Re: Handwriting Programme

I am delighted to inform you that your child has been selected for a new handwriting programme. This is a fantastic opportunity for students to develop their handwriting skills which will support them in all aspects of the curriculum and boost their confidence with writing.

As a school, we have invested in a range of successful and impactful handwriting strategies. This programme will be tailored to specific needs and aspects of handwriting that your child needs support with. Therefore, groups will be smaller and based on the type of support each student requires.

The sessions will take place weekly during tutor time. Students have been informed and are aware of this fantastic opportunity to develop their handwriting skills.

We hope that you will agree that this is a positive way forward to offer this assistance to your child. If for any reason you or your child would prefer not to take up this offer, please could you let me know as soon as possible so I can make this opportunity available for another student.

If you have any other questions or queries about this, please do not hesitate to contact me by emailing enquiries@coxgreen.com

Yours sincerely

Mr E Lynch
Associate Senior Leader for English & MFL
