Help and support:

If you find you need some help doing your work, message in the class chat, or use the chat button and message your teacher for help.

If you want to talk to your SAFE Manager, email them via your school email address. They are checking throughout the school day.

If you have a technical issue with Teams and want some IT support, email enquiries@coxgreen.com and they will forward your message to the IT support team.

Don't forget to regularly check your school email address as this is how any member of staff will get hold of you!
