“Sparx Maths Login”

How to login to Sparx Maths?

- Search for ‘Sparx Maths student login’ in the google search engine
- Click on Student Login
- Type Parkhall Integrated College into the select your school box
- Then click on Cox Green School and press continue
- Now select Log in to Sparx using Google
- The student’s username and password are the same as they use to login into the computers in school

What is Sparx Maths Homework?

- Sparx provides personalized homework to each child, with questions that are challenging yet achievable, and tailored to their learning needs
- The majority of each week's homework will be based on recently learnt topics, but it will also include some questions from previous topics to help reinforce their learning
- Students access their homework on their online Sparx account, where they’ll get immediate feedback for each question about whether their answer was correct or they need to have another try.
- While homework is accessed online, it is predominantly a written homework and students should record their work in their workbooks. Sparx has a “bookwork checks” system to help students form this habit.
- Every question in Sparx has a support video attached to that your child can get help independently.

Help and support:

If you find you need some help doing your work, message in the class chat, or use the chat button and message your teacher for help.

If you want to talk to your SAFE Manager, email them via your school email address. They are checking throughout the school day.

If you have a technical issue with Teams and want some IT support, email enquiries@coxgreen.com and they will forward your message to the IT support team.

Don’t forget to regularly check your school email address as this is how any member of staff will get hold of you!
