Dear Parent/Carer

September 2021 Year 7 Admission

I am delighted that your child has been offered a place at Cox Green School and congratulations on making such a fantastic choice!

I am confident that this is the start of a very exciting journey for your child at Cox Green School. My ambition is that every student thoroughly enjoys their time with us and that our nurturing community and enriching curriculum will support your child to be highly successful not only now, but also in their future. I have two very important values for the whole Cox Green School community; that everyone is kind to themselves and others, and that everyone tries their very best, at all times. I believe that alongside a strong partnership with parent/carers, this goal can be achieved.

At the end of April, you will be sent the school's admission pack. This contains lots of useful information and details about your child's start at our school. You can also find further information on our school website at www.coxgreen.com/joinus. You may also find it useful to follow us on Twitter and Facebook (@CoxGreenSchool) where lots of useful and informative posts are shared.

To assist with a smooth transition from their primary school to Cox Green we would like to invite your child to participate in our 'CGS Mini Challenges' which will run from April – September. Look out for the first challenge to be posted on our website at www.coxgreen.com/joinus

Once again, I welcome you to our school and I really look forward to meeting you and your family in the near future.

Yours sincerely

Cathrin Thomas
Headteacher
