Educational achievement and subsequent life chances for CLA and previously-CLA are of real concern. - Ensure that students enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for CLA realistically and use the school's resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help students develop their cultural, moral and social understanding.

4. Barriers to learning

- 4.1. Children Looked After are a vulnerable group, who may also face additional barriers to learning. The following have been identified as common factors which can contribute to underperformance of Children Looked After:
 - Unmet emotional, social, mental and physical health needs
 - Lives often characterised by instability.
 - Attachment issues
 - Early life trauma
 - Adverse Childhood Experiences (ACEs)
 - Sporadic attendance
 - Insufficient help with their education if they fall behind.
 - Primary carers not equipped to provide sufficient support and encouragement for learning and development.
 - Gaps in their learning with a fragmented education history
 - Insufficient tracking and monitoring of progress resulting in a delay in implementing support.

- Low self-esteem and self-confidence
- Schools not having high enough expectations and aspirations for CLA.
- School Exclusions and No School place
- 4.2. It is, therefore, essential that schools promote the achievement of such vulnerable children. Cox Green School has a Designated Teacher for Children Looked After to ensure that all the educational needs of CLA and previously-CLA are met. We also have a designated SAFE Manager for each CLA and previously-CLA who can ensure their emotional needs are met. Priority referrals can be made to the School Counsellor if the SAFE Manager feels there are additional needs which require more specialist support.

5. Attainment

- 5.1. We have high expectations of Children Looked After and are continuously striving to close the attainment gap between CLA / previously-CLA and their peers. We closely monitor and track the attainment and progress of each CLA after every data drop. To improve the attainment of CLA and previously-CLA, we ensure the following:
 - A framework of high expectations and aspirations for Children Looked After
 - A curriculum that provides stretch and challenge
 - A Personal Education Plan (PEP) that is of high quality.
 - An understanding of the common barriers to learning often experienced by Children Looked After and identifying strategies that will mitigate their impact.
 - Rigorous monitoring and tracking of the academic and social performance of Children Looked After
 - Appropriate forms of support with early intervention
 - A culture that takes account of the student's views and engages Children Looked After in the target setting process and reviewing progress.
 - Recognition of the role of carers as partners in learning and engaging them fully in all aspects of their child's education
 - Strong pastoral support with the Designated Teacher at the centre of communication
 - A child-centred multi-agency approach
 - Effective use of the Pupil Premium⁺ funding where the impact of interventions implemented are critically monitored and evaluated.
 - All staff to have high expectations and high aspirations for Children Looked After
 - Children Looked After are encouraged to join extra-curricular clubs and the Junior Student Leadership team to build relationships and work on their strengths and interests.

6. Attendance

- 6.1. The Designated Teacher for Children Looked After monitors and records attendance and punctuality of each CLA. This information is shared with the child's Social Worker, the Virtual School and Carer(s) at PEP meetings.
- 6.2. If a Child Looked After is identified as having poor attendance or punctuality, the Virtual School will be alerted and targets will be set.
- 6.3. At Cox Green School, attendance is celebrated through several incentives linked to our behaviour and achievement policy.

7. Confidentiality

- 7.1. Information on Children Looked After is shared with school staff on a 'need to know' basis.
- 7.2. Children Information about Looked After is only shared with relevant parties, e.g., Social Workers and Carers and is not discussed with anyone else outside of school.
- 7.3. Personal information divulged to the SAFE team or school counsellor by individual Children Looked After is shared at PEP meetings, when necessary, but is not discussed outside of these meeting, unless such information raises a safeguarding issue. In such cases, the school Safeguarding Policy and procedures will be followed.
- 7.4. Any reports to the Governing Body in relation to Children Looked After will not include names of children.

8. Personal Education Plan (PEP)

- 8.1. All CLA must have a care plan; PEPs are an integral part of this care plan.
- 8.2. The PEP is an evolving record of what needs to happen for a student to enable them to make the expected progress and fulfil their potential.
- 8.3. The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.
- 8.4. The school with other professionals and the child's carers will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.
- 8.5. All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.
- 8.6. The PEP will address the student's full range of education and development needs, including:
 - On-going catch-up support, which will be made available for children who have fallen behind with work.
 - Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.
 - Transitional support where needed, such as if a child is moving to a new school.
 - School attendance and behaviour support, where appropriate.
 - Support to help the child meet their aspirations, which includes:
 - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
 - Careers advice, guidance and financial information about FE, training and employment, that focusses on the child's strengths, capabilities and the outcomes they want to achieve.

- 9.4. Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.
- 9.5. The designated teacher for CLA and previously-CLA will communicate with the VSH and child's social worker to facilitate the completion of the PEP.

- 9.6. Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay.
- 9.7. The designated teacher will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the child's educational attainment and progress.
- 9.8. PP+ for previously-CLA will be allocated directly to, and managed by, the school.
- 9.9. The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of CLA, or previously-CLA, and according to their needs.
- 9.10. If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.
- 9.11. The designated teacher will ensure consistent and strong communication with the VSH regarding CLA who are absent without authorisation.
- 9.12. The school will share their expertise on what works in supporting the education of CLA and previously-CLA.

Designated teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.
- 11.2. The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on CLA and previously-CLA, and know how to access further assessment and support, where necessary.

12. Exclusions

- 12.1. Past experiences of CLA and previously-CLA will be considered when designing and implementing the school's Behaviour Policy.
- 12.2. The school will have regard to the DfE's statutory guidance 'Exclusions from maintained schools, academies and student referral units in England' and, as far as possible, avoid excluding any CLA.

- 12.3. Where the school has concerns about a child's behaviour, the VSH will be informed at the earliest opportunity.
- 12.4. Exclusion will only be used as a last resort, after the school and VSH have considered what additional support can be provided to prevent exclusion, and any additional arrangements to support the student's education in the event of exclusion.
- 12.5. The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.

13. Students with SEND
