Key Principles

At Cox Green School our mission statement is to have the highest aspiration for our school and every member of our community, where all feel respected and able to develop to their potential.

Our behaviour policy is driven by our mission statement and values and underpins all behaviours at Cox Green School. Our values are;

- Be Respectful – Respect for ourselves and those around us.
- Be Kind – Supporting one another and being considerate of others.
- Be Determined – Showing a willingness to improve and better ourselves.

These key values allow our culture of success to operate embedding opportunities for all at Cox Green School:

- We are committed to achieving our vision by establishing a culture of success, focusing on the following priorities:
- Developing our students to be strong citizens of our school and community.
- Establishing a culture where our students aspire to the very best they can be.
- Embedding a curriculum that is broad, enriched, exciting and ambitious for all our students allowing all students the opportunity to follow their chosen study pathway.
- Enabling all students access to a positive teaching and learning environment meeting the needs of all our students.

At Cox Green School it is our aim to promote positive behaviours and attitudes amongst our students and to reward those students who contribute positively to both the school and the community. We believe that where mistakes are made, students must have an opportunity to reflect on their behaviour to ensure that they understand the impact of their actions.

We believe all staff and students play a crucial role in facilitating this process. By reflecting on behaviours, this will help guide students to successful outcomes. At Cox Green School measures will be in place to support our students' errors, ensuring they receive the necessary interventions to avoid sanctions. It is essential that our partnership with parents is strong and that we have your full support to ensure we all have consistent standards for all of our students.

Key Requirements/Legal Duties

This policy responds to the requirement under the Education (Independent Schools Standards) Regulations 2014, that all independent schools (including academies and free schools) must have a Behaviour Policy which sets out the sanctions to be adopted in the event of student misbehaviour, is implemented effectively, and that a record is kept of sanctions imposed upon students for serious misbehaviour.

The school acknowledges its duties under the:

- Education and Skills Act 2008;
- Equality Act 2010;
- Data Protection Act 2018 and the General Data Protection Regulation (GDPR) 2020;
- Education Act 2002;
- School Discipline (Pupil Exclusions and Reviews) (England) Regulations 2012;
- Education and Inspections Act 2006;
- Education Act 1996;

- Children Act 1989;
- Education (Provision of Full-Time Education for Excluded Pupils) (England) Regulations 2007, as amended by the Education (Provision of Full-Time Education for Excluded Pupils) (England) (Amendment) Regulations 2014.

The school also acknowledges its duties under the following guidance and advice:

- Keeping children safe in education (KCSIE) (Department for Education (DfE), September 2022);
- Working together to safeguard children (DfE, February 2019);
- Information sharing (July 2018);
- Exclusion from maintained schools, academies and pupil referral units in England (DfE, September 2017);
- Behaviour and discipline in schools (DfE, January 2016);
- Use of reasonable force (DfE, July 2013);
- Searching, screening and confiscation: advice for schools (DfE, January 2018);
- Sexual violence and sexual harassment between children in schools and colleges (DfE, May 2018);
- Mental health and behaviour in schools (DfE, November 2018);
- Relationships education, relationships and sex education and health education (DfE, June 2019);
- Alternative Provision (DfE January 2013);
- The designated teacher for looked-after and previously looked-after children (DfE, February 2018).

The following school policies and procedures are relevant to this policy:

- Assessment, Recording and Reporting Policy;
- Anti-Bullying including Cyber-Bullying Policy;
- Smoke Free Policy;
- Drugs and Alcohol Policy;
- Safeguarding Policy;
- Inclusion Policy;
- Accessibility Plan;
- Student ICT and Mobile Device Use Policy
- Uniform Policy;
- Home School agreement;
- Behaviour Contract;
- Sex and Relations.

The Trustees who form the Governing Board of Cox Green School have overall responsibility for making, implementing and reviewing all school policies and their application.

The Senior Leadership Team (SLT) oversees the day to day application and monitoring of this policy.

Relevant Middle Leaders (Learning Leaders and Heads of Year) will have an overview of behaviour incidents and patterns of behaviour in their areas of responsibility, together with resolutions; they will report regularly to their SLT line manager.

Terms of Reference:

Parents: Please note that in education law and for the purposes of this policy, the term 'parent' means a natural or adoptive parent of the child (irrespective of whether they are, or ever have been, married, whether the father has parental responsibility, or with whom the child lives), as well as people who are not the natural or adoptive parents of the child, but who have care of, or parental responsibility for, the child.

Students: Please note that in this policy, the term 'student' includes all students on roll at Cox Green School, including sixth form students.

Cox Green School: Please note that for the purposes of this policy, the term 'School' refers to Cox Green School.

Staff: Please note that for the purposes of this policy, the term 'Staff' refers to all staff at Cox Green School, including, but not limited to, Teachers, Support Staff, Office Staff, Senior Leadership Team (SLT) and Middle Leaders.

This policy applies to all students (including sixth form students) and staff, governors and parents.

1. Introduction

This policy aims to provide staff, parents and students with clearly understood guidelines and potential strategies that may be used to promote positive behaviour and to support students in taking responsibility for their behaviour choices. We do, however, recognise the need for a degree of flexibility when faced with behavioural diversity in school and accept that a 'one size fits all' approach will not be sufficient.

Good behaviour systems are apparent when all staff **are consistent** in their management of students and work well together to support each other.

This policy also recognises the diversity of behaviour management styles used by teachers and the differences of behaviour challenges that can be presented by students. Behaviour is never somebody else's responsibility.

2. Aims

- To have the highest expectations of student behaviour in order to ensure that all students make outstanding progress and achieve their full potential;
- To create an atmosphere where achievement is respected and valued by all;
- To establish good working relationships and encourage mutual respect amongst all members of the school community;
- To secure an environment where effective teaching and learning is able to take place;
- To identify levels of behaviour and to ensure rewards and sanctions are fairly apportioned according to the behaviours demonstrated;
- To work with parents and students to encourage good behaviour and to establish good patterns of behaviour where there are difficulties;
- To set out a clear and fair process for the proper investigation of allegations of poor behaviour and or breaches of discipline.
- To have due regard to the school's public sector equality duty under the Equality Act 2010, to have due regard to the need to:

- a. Eliminate discrimination, harassment, victimisation and other conduct prohibited by the Equality Act 2010.
 - b. Advance equality of opportunity between people who share a protected characteristic and people who do not.
 - c. Foster good relations between people who share a protected characteristic and people who do not share it.
- To have due regard to the school's legal duties under the Special Educational Needs and Disability code of practice: 0 to 25 years (2015) in respect of students with special educational needs (SEN);
 - Ensuring consistency of response to both acceptable and unacceptable behaviour, in the knowledge that the rigorous and consistent application of the Behaviour and Suspension Policy will result in overall student well-being and school improvement;
 - To actively promote and safeguard the welfare of students at the school and to protect all who come into contact with the school from harm;
 - To help create a culture of safety, equality and protection.

Finally, we believe that students must have an opportunity to reflect on their behaviour to ensure that they understand the impact of their own unacceptable behaviour on both themselves and others. Students must also have opportunity to reflect on how they can avoid unacceptable behaviour, and show improved behaviour in future. We believe all staff play a crucial role in facilitating this process by not only giving students time to reflect, but also by holding conversations to help guide students to successful reflection. Where challenging behaviour is related to a student's disability, use of positive discipline and reward methods may enable the school to manage the student's behaviour more effectively and improve their educational outcomes.

All sanctions must be proportionate in all the circumstances to take into account a student's age, any special educational needs or disability they may have and any religious requirements affecting them.

3. Expectations of Staff, Parents, Governors and Students

Staff

Learning

- We believe every student at Cox Green School is fully capable of developing the academic and social skills necessary for educational, career and life success;
- We will support every student to work hard to reach their potential;
- We will make sure we always come to lessons prepared and continually engage students in the challenging work that paves the way for success in school and life;
- We will ensure students are aware of their achievements and provide them with advice and guidance in order to further improve their learning;
- We will set appropriate and regular classwork and homework which we will mark;
- We will provide rewards for students' endeavour;
- We will offer every child the opportunity to learn a musical instrument and/or extra-curricular activities.

Behaviour and Attendance

- We will care about our students' wellbeing, and protect their safety at all times;
- We will ensure that each student's class teacher and form tutor will follow their progress and ensure that their individual needs are met;

- We will regularly set targets for attendance and punctuality and monitor these closely;
- We will go out of our way to get to know each of our students as individuals;
- We will focus on promoting positive behaviour, helping to build self-discipline and encouraging respect for others;
- We will enforce the Home School Agreement (Appendix 6) consistently and fairly;
- We will insist on high standards of behaviour and will hold students to account for their actions.

Communication

- We believe that to provide the best possible education for our students, partnerships between parents and staff must be strong;
- We believe that through regular communication, a relationship of trust between school and home can be created;
- We will hold parent evenings at least once a year;
- We will welcome parents into the school community and will treat them with respect and courtesy.

Governors

- Clear advice and guidance from the Governing Board, which feeds directly into the Behaviour and Suspension Policy, will help members of staff better understand the extent of their powers and how to use them. It will also help ensure that staff can be confident of the Governing Board's support if they follow that guidance.
- The Governing Board will also wish to consider its duty under section 175 of the Education Act 2002 requiring it to ensure that its functions are carried out with a view to safeguarding and promoting the welfare of children and its general duty to eliminate discrimination under section 149 of the Equality Act 2010.

Parents

- Parents believe their child is fully capable of developing the academic knowledge and skills necessary for educational, career and life success;
- Parents will support their child to work hard to reach their potential;
- Parents will allow their child to participate in extracurricular activities;
- Parents will understand that their child will have homework and that it will increase in length as they progress through the school. It is their responsibility, to see that homework is completed, and class work is reviewed each day;
- Parents will encourage their child to work independently;
- Parents will support their child to pack correctly the night before each school day, making sure they are properly equipped with the following each day: Cox Green school planner, exercise books for that day's lessons, the necessary homework completed, 2 black pens, 2 pencils, 1 sharpener, 1 eraser, 1 ruler, 1 calculator, 1 highlighter, 1 protractor, 1 compass, 1 set square, 1 green pen, scissors, glue and in the ear earphones (for work in IT).

Behaviour and Attendance

- Parents will have read and understood Cox Green's Code of Conduct and support the school's consequences for misbehaviour;

- Parents will not ask that their child be excused from after-school reflection for poor behaviour or other reasons, such as not completing homework. It is the responsibility of parents to make suitable travel arrangements to ensure their child can attend reflection;
- Parents will ensure their child arrives in school by 8.30 am;
- Parents will not plan family holidays or other absences during term time because of the impact it has on a child's grades and the message it sends about the importance of holidays over learning. Parents accept that the school will refer any unauthorised absence of this nature to the Education Welfare Officer, which will result in the issuing of a Fixed Penalty;
- Parents will make certain that their child attends school every day, except in cases of illness or another legitimate reason;
- Parents will schedule routine doctor and dentist appointments during times when the school is not in session;
- Parents will telephone the school before 8.00 am if their child is to be absent, on the day of the absence to report the reason;
- Parents will routinely review items posted on social media and what is being texted/ electronically communicated by their child to prevent any e-bullying of another child, or bullying towards their child;
- Parents will understand their child can have a mobile phone in their bag at school, but that it must be switched off (not on silent) whilst on school site and will not contact their mobile phone during the school day;
- Parents understand it is their child's responsibility to record and inform parents of the reasons for any reflection.

Uniform

- Parents will make sure their child wears the correct school uniform to school each day;
- Parents understand that uniform violations will result in the student being sent home to collect the items or parents bringing the proper items to school. Parents have the responsibility to ensure uniform is appropriate;
- Parents understand that their child is not to wear: make-up; any other piercings with the exception of one pair of small, plain (gold/silver) studs; jewellery; dyed or extreme hair-styles;
- No jewellery is permitted to be worn in PE lessons at any time.

Communication

- Parents believe that to provide the best possible education for their child, partnership between parents and staff must be strong;
- Parents believe that through regular communication, a relationship of trust between school and home can be created and therefore they will always make themselves available to the school by providing an up-to-date phone number
- Parents will communicate with their child during school hours through the school reception, not via a mobile phone;
- Parents will read all reports carefully, attend all parent meetings and sign their child's planner each week;
- Parents will treat staff with respect and courtesy and understand any request for a response from staff may take 48 hours due to teaching commitments;
- Parents agree to discuss any concerns or complaints with staff and not use social media sites to air grievances about staff, students, other parents or the school environment.

Students

Learning

- Students believe they are fully capable of developing the academic knowledge and skills necessary for educational, career and life success;
- Students will always work, think, and behave in the best way they know how, and they will do whatever it takes for all students to learn;
- Students will complete all of their classwork and homework and will talk to their teachers in advance if they have a problem with any of the work;
- Students will review their classwork daily;
- Students will endeavour to work independently and produce the best possible work;
- Students will pack correctly the night before each school day. Making sure they are properly equipped with the following each day: Cox Green school planner, exercise books for that day's lessons, the necessary homework completed, 2 black pens, 2 pencils, 1 sharpener, 1 eraser, 1 ruler, 1 calculator, 1 highlighter, 1 protractor, 1 compass and 1 set square, 1 green pen, scissors, glue and in the ear earphones (for work in IT).

Behaviour and Attendance

- Students will do WHATEVER IT TAKES to build a safe and respectful community in class, at breaks and within the local area;
- Students will always treat everyone at Cox Green School with respect. This includes staff, students and visitors;
- Students agree to follow the Home School Agreement (Appendix 6) and understand they will face the consequences if they fail to do so;
- Students know that they are responsible for their own behaviour within school and outside in the local community;
- Students will wear their school uniform smartly every day and recognise that when they are outside of school and wearing the uniform they are an ambassador for school;
- Students will attend school every day unless they are ill/ unavailable due to unforeseen circumstances;
- Students will arrive at school by 8.30 am each day in good time for registration;
- Students will follow the school's ICT Acceptable Use Policy;
- Students will not smoke/vape on the school site, nor to and from school, or at any time whilst wearing school uniform;
- Students will not use electronic devices, including mobile phones, whilst in school;
- Students will not photograph, video or record students or staff in school;
- Students will not be in possession of banned or prohibited items in school, such as controlled drugs, non-prescription drugs such as 'legal highs', weapons, fireworks, alcohol, cigarettes, vapes or stolen goods, inappropriate materials. (Please refer to paragraph 12 table 1 for a detailed list of banned and prohibited items);
- Students will not leave the school premises at any time without a written request from their parents and and/or permission from a member of staff (all students leaving must sign in and out at Student Reception);
- Students will not drop litter or damage the fabric of the school or the school premises;
- Students will not bring into school, nor consume, 'energy' drinks such as Relentless, Monster (i.e. drinks high in caffeine or other similar stimulant chemicals) or any carbonated drinks, including carbonated water, coke and other similar products;

- Students will not eat during lessons, unless for authorised medical reasons, or drink anything other than still water from a clear plastic bottle during lessons (at the teacher's discretion); any consumption in Science and ICT lessons is not normally permitted;
- Students will not refuse to follow instructions of any staff;
- Students will not return to lessons until they have complied with instructions and/or relinquished items that have been confiscated in accordance to the Behaviour and Suspension Policy (e.g. mobile phones) or Uniform Policy (e.g. jewellery;)
- Students will not avoid the sanctions that have been imposed as a result of unacceptable behaviour.

Communication

- Students recognise that to receive the best education, partnership between their parents and staff must be strong;
- Students will ensure that letters and information are passed on to their parents;
- Students understand that it is their responsibility to get their planner signed by a parent at least once each school week;
- Students will communicate in an appropriate way to students and staff in school by using appropriate language;
- If they have a problem during the school day that needs to be resolved, students will talk to a member of staff. They will not take matters into their own hands and contact/text their parent first as they need to give staff an opportunity to resolve it during the day;
- Students recognise the issues that social networking and texting can cause and will not bring these issues into the school;
- Students consent to the school sharing information such as their progress and attendance with parents.

4. Rewards and Positive Reinforcement

The school recognises the power of making explicit the desired standards of behaviour for learning and of positively reinforcing high standards of learning and co-operative behaviours. This has both an impact on teaching and has a motivational role in helping students to realise that good behaviour is valued.

These rewards and positive reinforcements include:

- Verbal praise;
- Written comment on work/in book/planner;
- Positive Points (Appendix 3);
- Praise Postcards;
- Telephone call to parents;
- Positive letter home;
- Display of work;
- Mention in assembly;
- Motivational rewards/prizes;
- Special awards at Achievement Assemblies;
- Reward trips;
- Weekly school newsletters;
- School social media.

By these means the school seeks to motivate students, create a positive learning environment, raise student self-esteem, provide systems which can be used by all staff and contribute to raising levels of achievement.

5. Active Involvement of Parents

The school believes strongly in the power of working in close co-operation with parents and of the rights and desirability of parents being actively involved in the education of their child. The school will therefore seek to involve parents actively on behaviour for learning issues.

Approaches may include:

- Telephone calls;
- Meetings;
- Letters;
- Supporting students on report;
- Behaviour Contract;
- Request to attend re-integration meetings;
- Student Planners which allow for two-way communication;
- Invitations to agency meetings;
- Follow up and routine communication;
- Home visits;
- Referrals to the Behaviour Contract and parental requirement to support the school with its behaviour and reward procedures;
- Headteacher meeting.

Parents are welcome to approach the school for informal or formal discussions about their child's education. However, parents should be aware that, due to teaching commitments, it may take up to 48 hours for teaching staff to respond to requests.

6. Disciplinary Sanctions

Dependent on the student's age, the nature of the offence and the severity of the behaviour, the school may use a range of strategies to correct student behaviour. All sanctions imposed will be fair and proportionate to the breach.

Allegations, complaints or rumours of minor breaches of discipline are dealt with by staff as they occur. Staff may carry out informal investigations and/or interviews with the students involved. Low level sanctions may be given following such processes.

Cox Green students have a right to be heard fairly and would be provided with a member of staff to act as their advocate if they had difficulty expressing their views or wishes within any disciplinary sanction applied. An independent member of staff would be invited to assist the student to express themselves, but would not represent them in any legal sense or argue their case. The intention is to ensure that all students, who might be restricted through language or disadvantaged through their being unable to express themselves in difficult situations, have equality of opportunity.

When considering the appropriate sanction, the risks posed to student welfare by an individual's behaviour will be assessed. This may include consideration of how any action taken, sanctions applied

or inaction may affect that individual's welfare and, where appropriate, how it may affect other students' welfare and / or the School's community as a whole.

Sanctions include:

- Verbal warning;
- Written warning;
- 15-minute Reflective Meeting;
- Longer length reflection (30 minutes (-3 behaviour point) and 60 minutes (-4 behaviour point)), after school; (See Behaviour Flowchart Appendix 1)
- Removal to a partner classroom by Learning Walk (-4 behaviour points);
- Regular reporting and behavioural monitoring;
- Note to the parent in the planner;
- Extra work or repeating unsatisfactory work until it meets the required standard;
- Loss of free time;
- Removal from the lesson to work under supervision elsewhere;
- Disciplinary letters to parents;
- School based community service or imposition of a task, such as picking up litter or weeding school grounds, tidying a classroom, helping clear up a dining hall after meal times or removing graffiti;
- Internal reflection room (-5 behaviour points);
- Fixed Term Transfer at another school (-7 behaviour points);
- Suspension (-10 behaviour points);
- Governor Disciplinary Panel;
- Permanent Exclusion.

See behaviour flowchart (Appendix 1)

See levels of behaviour guidance (Appendix 2)

See Behaviour Diamond (Appendix 3) for points breakdown.

7. Reports

Positive Reports - Subject or Pastoral Report

Any member of staff may place a student on a positive report for a period of up to two weeks. Positive reports are a way to highlight strong behaviours the student is showing in and outside of the classroom. The aim of the report is for the student to achieve positive comments from staff. Negative remarks cannot be written - the box should remain blank if a positive comment cannot be written. Students should report to the member of staff managing the report at the end of each day; parents are expected to sign the report each evening.

8. Reflection Periods

What the law allows:

School staff have a power to impose reflections outside school hours and **parental consent is not required for reflections**. School staff should not issue a reflection where they know that doing so would compromise a child's safety. When ensuring that a reflection outside school hours is reasonable, staff issuing the reflection should consider:

- Whether the reflection is likely to put the student at risk;

- Whether the student has known caring responsibilities which means the reflection is unreasonable;
- Whether the parents ought to be informed of the reflection (this will depend on the circumstances, it may not be necessary for a short after school reflection, where a student can get home safely);
- Whether suitable travel arrangements can be made by the parent for the student. It does not matter if making these arrangements are inconvenient for the parent.

At Cox Green, we will endeavour to give parents 24-hour notice for reflections-over 15 minutes. The school will make every reasonable attempt to inform parents by a variety of means including email, text or telephone call. *However, it is the student's responsibility to behave appropriately and not the school's responsibility to make contact about the reflection.*

Parents are requested to check their child's student planner and edulink on a daily basis, which is where the majority of reflections will be recorded by the student. Ultimately, if a student has received a reflection meeting, it is their responsibility to inform their parents and for this behaviour to be discussed at home. A text message will be sent home to parents once a week with their child's reflection meetings for that week.

- There are 4 levels of behaviour in total:
- **Level 1:** The first and final warning are issued in the lesson;
- **Level 2:** Reflective Meetings – 15-minute restorative meeting to be held during or at the end of the school day (3:00-3:15pm) and set by the class teacher.
- If a student fails to attend the restorative meeting, the name of the student would be shared with the Learning Leader so that the incident is escalated to a Level 3 after school reflection meeting. The classroom teacher will contact parents regarding the situation.
- The Learning Leader should speak to the student to reinforce the expectation as soon as possible.
- The Learning Leader/Teacher should also ensure the information can be written in the student planner/ communicated to the student and parent.
- **Level 3:** 30-minute reflections will be held on Mondays and Wednesdays, if the reflective meeting is missed, or the incident is a Level 3 incident. Parents will receive a text message informing them of the reflection meeting. All Level 3 reflection meetings will still have restorative conversations taking place with the member of staff who set the initial sanction. All students will complete a Reflection Document (Appendix 6) which will be shared with Heads of Years and Form Tutors for future reflection. Level 3 reflections are set for persistent breaches of the school Behaviour and Suspension Policy.
- **Level 4:** 60-minute reflection meetings will be held on Mondays and Wednesdays if a 30-minute reflection meeting has been missed, or if the teacher running the 30-minute reflection feels it has not been completed properly, or the behaviour is one of a serious breach of the school's Behaviour and Suspension Policy. All Level 4 reflection meetings set will still have restorative conversations taking place with the member of staff who set the initial sanction. All students will complete a Reflection Document (Appendix 6) which will be shared with Heads of Years and Form Tutors for future reflection. Level 4 reflection meetings are set for a serious breach of the school Behaviour and Suspension Policy.
- The restorative conversation with the student is to secure restorative justice or reconciliation. This can be supported by their Learning Leader if issued by a subject teacher or their Head of Year if issued by a tutor;
- Reflections once issued cannot be removed for good behaviour.
- **Level 5- Internal Reflection** – Internal reflections are set in line with the behaviour guidance (Appendix 2). The reflection day is an opportunity to work with staff to identify what behaviours have impacted the school. The reflection day is from 8:30am-4:00pm and both breaks will occur within the school hub area. Students will complete a reflection task and this information is shared with Heads of Year, tutors and SLT link. Reintegration meetings take place the following day with both student and parents and the relevant members of staff.

- SLT break reflections – These occur Tuesday-Friday break 1 for 30 minutes. These are sanctions that allow students who have missed their level 4 sanctions to catch up on the necessary sanctions. These are led by SLT members and students are able to complete the reflection document with the SLT member.

See Appendix 1 for the Behaviour Flowchart.

9. Suspensions and Exclusions

Power to Exclude

The Headteacher is the only member of staff within school who can exclude a student, either permanently or for a suspension. In the absence of the Headteacher, the Deputy Headteachers may take this role. When considering a suspension or Permanent Exclusion, the procedure set out in the DfE's Exclusions Guidance will be followed.

There are certain circumstances where the Governing Board will have to review the Headteacher's decision and consider appeals from parents of excluded students. They may direct the reinstatement of an excluded pupil, or uphold an exclusion after a review, but they cannot exclude a student themselves.

The DfE guidance states that there are two reasons for permanent exclusion: in response to a serious breach or persistent breaches of the school's behaviour and suspension policy; and where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school.

Whilst having regard to the circumstances of a particular case, the Headteacher may use suspensions in the following instances:

- Sustained challenge to the authority of a member of staff;
- The use of foul or abusive language to a member of staff;
- Bullying, harassment or abuse (including on the grounds of gender, race, ethnicity, age, religion or sexual orientation);
- Persistent defiance of a school rule;
- Acts of vandalism or physical violence;
- Physical altercation (self-defence and a claim of "play fighting" will not be accepted as an excuse);
- Using/possession of drugs or alcohol and/or smoking/vaping within, or in close proximity to, the school site;
- Conduct likely to bring the school into disrepute.

This list does not note every offence for which suspensions may be used but gives an indication of the behaviour where it will be considered.

The following non-exhaustive list sets out the situations in which Permanent Exclusion may be used:

- Serious violence which creates fear and anxiety among staff or students;
- Possession of an offensive weapon (e.g. knife, firearm, BB gun, etc.) on, or within close proximity to, the school site;
- Using/possession of drugs on, or within close proximity to, the school site;
- Persistent defiance of school authority or disruption of teaching and learning;
- Persistent bullying, harassment or abuse;
- Serious breach or persistent breaches of the school's Behaviour and Suspension Policy;

- Allowing the student to remain in school would seriously harm the education or welfare of the student or others in the school.

The school operates within the principles of fairness and natural justice, and will ensure that where a student is facing a sanction (including where they are at risk of fixed term or permanent exclusion), the student and their parents are provided with sufficient information about the allegations and access to the evidence (subject to compliance with data protection obligations) to understand the factual findings made following the investigation, and the reasons for the sanction imposed, so that they are in a position to decide whether or not to challenge the decision, and what submissions to make.

Fixed Term Transfer (FTT)

Only the Deputy Headteacher and the Headteacher can agree an FTT. Heads of Year and Learning Leaders can request a FTT by completing a Request for FTT form. It is a system that is operated with a number of other local schools. A student is taken from their home school (Cox Green School), to one of the host schools in the local area, where, in full-school uniform, they complete work set by Cox Green School in the host school's isolation area.

Suspensions

Suspensions are an extremely serious sanction and should only be considered when other sanctions have been explored. The principles, guidance and procedure set out in the DfE Guidance, Exclusion from Maintained Schools, Academies and Pupil Referral Units in England ('the Exclusions Guidance') will be followed at all times.

The full details of the incident should be shared with the parent, where possible on the telephone, and in writing, setting out the mandatory information as set out in the Exclusions Guidance. A copy should also be posted and a copy placed on the student file.

After a suspension, a re-integration interview must be conducted with the parent, student and a member of staff. Ideally the staff will be those involved in the incident, but there may be situations where this is not appropriate. Re-integration interviews are typically carried out in the morning after the last day of suspension, however, there may be occasions where this is not possible. In these circumstances, the Headteacher, or those staff delegated, will decide the best time for the re-integration interview.

During the first five days of a suspension, the student is the responsibility of the parent, although the school must ensure that adequate work is set. It is the parent's responsibility to ensure that the student does not come onto the school site, is in the vicinity of the school-site, or is in a public place during school hours without reasonable justification. Failure by parents to comply with this may result in a financial penalty or criminal prosecution.

Governors' Final Warning

Students that have acquired 5 suspensions, will have a separate Governor Final Warning meeting, highlighting the steps that the school and the student need to take in order to avoid a potential Permanent Exclusion. The Headteacher is also able to request a Governors' Final Warning dependent on the incident.

For warnings related to the above, if the Governor or governors agree that there has been a significant and persistent disregard for school discipline, then Governors will alert the student, and their parent, that another similar offence could lead to a Permanent Exclusion.

Permanent Exclusion

Permanent Exclusion will be used in response to a serious breach or persistent breaches of the school's behaviour and suspension policy; and where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school and would have a seriously damaging effect on the life of the school (not necessarily limited to conduct that has taken place during school time or on/near to the school).

In most cases, a Permanent Exclusion will be the final step in a process of dealing with disciplinary offences following a wide range of strategies which have been tried without success. It is an acknowledgement by the school that it has exhausted all available strategies for dealing with the student and should normally be used as a last resort. There will, however, be circumstances where a 'single breach' is so serious that permanent exclusion has to be considered. The school may then also wish to inform the Police or other appropriate agency.

The DfE lays out the following criteria for Permanent Exclusion:

- Serious breach or persistent breaches of the school's Behaviour and Suspension Policy;
- and where allowing the student to remain in school would seriously harm the education or welfare of the student or others in the school; A Permanent Exclusion is a serious step and will only be taken when all other alternatives have been explored. However, it is clear that for some students, in some circumstances, this is the only available and appropriate option.

Governor Discipline Committee

The DfE Exclusions Guidance states that a Governing Board will have a duty to consider parents' representations about an exclusion. The requirements on a Governing Board to consider an exclusion depend upon a number of factors (these requirements are illustrated by the diagram in Appendix 5, Summary of the Governing Board's Duties to Review the Headteacher's Exclusion Decision).

In the case of a Permanent Exclusion, the parents and the Local Authority will be notified in writing without delay of the decision to permanently exclude, setting out the reasons for the decision.

Work for Suspended Students

For suspensions of up to 5 school days, members of staff who teach excluded students will provide work for these students to do at home and make it available as instructed by the Student Services responsible for those students. Parents and students should ensure that work is returned to school promptly for marking and review.

For suspensions beyond 5 school days duration, the Local Authority must arrange suitable full-time education for any pupil of compulsory school age. Where a child received consecutive suspensions, these are regarded as a cumulative period of exclusion for the purposes of this duty.

Behaviour Outside School

Students who breach the school's Behaviour and Suspension Policy whilst on school business, such as trips and journeys to and from school, sports fixtures or a work-experience placement, may be dealt with in the same manner as if the incident had taken place on the school premises.

For incidents that take place outside the school and not on school business, this policy may still have effect if there is a clear link between that behaviour and maintaining good behaviour and discipline among the student body as a whole. This may include behaviour in the immediate vicinity of the school. Other relevant factors include whether the student is wearing school uniform or is in some other way identifiable as a student at the school and whether the behaviours could adversely affect the reputation of the school.

For acts of aggression or which threaten the health and safety of others, or social media concerns, the school may involve the Police. Equally, if the school considers that the behaviour might be linked to a young person suffering, or likely to suffer, significant harm, safeguarding procedures will be applied.

Where instances of bullying occur, either verbal or using social media, students can be sanctioned in the same way as if they occurred within school. Where instances of anti-social behaviour have taken place outside school which are clearly associated with and/or threaten the good order/reputation of the school, the Headteacher may take action, up to and including excluding the student.

Joint Enterprise: If a group of students is behaving in an inappropriate manner inside or outside the school (of identified Cox Green School students), then a sanction may be applied to all members of the group including those on the periphery.

Interventions and Additional Needs

Through the pastoral and guidance systems, the school has staff whose role it is to support student welfare and well-being. This includes helping to make explicit the school's expectations, to reinforce positive learning attitudes, to apply disciplinary sanctions and to monitor behaviours which give rise to concern.

The school accepts that for a wide variety of reasons some students require additional support in order to learn and display positive learning behaviours. For these students the school will draw on a range of support interventions in order to support and re-track behaviours. The school will make reasonable adjustments for managing behaviour that is related to a student's disability. Staff should seek advice from the Headteacher if they are unsure about how to manage a student's behaviour where this is related to a disability.

The school acknowledges that there are groups of students for whom the rates of exclusion are consistently higher than average, this includes students with SEN (Special Educational Needs), students eligible for free school meals, looked after children and students from certain ethnic groups, including Gypsy / Roma, Travellers or Irish Heritage and Caribbean students. The Headteacher will consider whether extra support is required to identify and address the needs of students from these groups in order to reduce their risk of suspension or Permanent Exclusion.

If there is a concern that student's behaviour is as a result of an unmet educational or other needs, advice will be sought from the Headteacher / Senior Leader with responsibility for SEND and further action, in accordance with the school's Special Educational Needs and Learning Difficulties Policy, will be considered. Strategies may include consideration of curriculum need, additional learning support, identification of Special Educational Need, additional internal provision, placement on a personal support programme and use of external expertise. The school will also consider Counselling, consulting the Educational Psychologist, and other available outreach programmes or referrals to external agencies such as the Child and Adolescent Mental Health Service (CAMHS), or requesting an emergency review of an Education, Health and Care Plan (EHCP).

Where suspension or Permanent Exclusion is being considered, the school will ensure that a student with a disability or special educational needs is able to present their case fully where their disability or special educational needs may hinder this.

On Call/Learning Walks to Support Teaching and Behaviour

During lessons a member of staff may complete a Learning Walk.

The principles of the Learning Walk are:

- To support staff in their daily work with students;
- To visit classrooms to reward positive learning and behaviour;
- To share good teaching practice;
- To share positive work and achievements of students.

There may be occasions when the member of staff on call will be required to diffuse, support or reconcile situations. The ultimate aim is to give students time to calm themselves and then return to their class or partner classroom. If the situation cannot be immediately managed the student should be removed from the classroom to a Partner Room (See Appendix 2). The Learning Leader will follow up on the incident at the end of the lesson.

Red Cards

Students at times may be issued with a red card for a short and agreed period of time. Red cards should be used by a student proactively before an incident escalates. Staff should encourage students who have red cards to use them. When a student wants to use a red card, Learning Walk should be called who will then supervise the student for 5 minutes before putting them back into the classroom. Any student found to be misusing their red card will have it confiscated.

10. Use of Mobile Phones and other Electronic Devices

Students are normally permitted to bring mobile phones and other electronic devices to school for use if necessary before and after school. This concession is purely a health and safety consideration. Students and families should be aware that use of mobile phones and other electronic devices during the school day is **not** permitted unless explicitly allowed by a member of staff. School enforces the importance of mobile phones not being seen on site for all students in Years 7-13.

If mobile phones and other electronic devices are brought into school, these items remain solely the responsibility of the student; they must be kept out of sight and switched off whilst on the school site throughout the school day, including at break times.

Telephone communication between parents and students must only take place through school staff; this is so that the authority of the school is not undermined, so that learning is not interrupted and so that the safety of students is not compromised. In addition, parents are specifically requested not to send (or respond to) text messages from students during the school day. The school reserves the right to confiscate the mobile phone if it is clear that communication of this nature has taken place during the school day.

If a member of staff sees or hears a student's mobile phone or other electronic device when students are on the school site, the device will be confiscated by the member of staff concerned and kept safely until a parent or nominated adult has collected the phone. All such devices will be placed in an envelope marked with the following details: student's name, tutor group, date, name of staff who has confiscated the item, brief description of the item. The device will then be taken by a member of staff to the Reception area where it will be kept securely in the school's safe. In the event of confiscation, a member of staff will attempt to contact the parent to inform them of the confiscation and to explain how the device can be recovered at the end of a school day by the parent or by a nominated responsible adult by arrangement with the parent. Ultimately, the student involved has the responsibility of explaining the confiscation to their parents and the sanction for using a mobile phone on school site.

Confiscated items (including mobile phones) will not be returned to the students directly under any circumstances e.g. due to an impending weekend or school holiday. Retrieval of the confiscated item within the working hours of the school staff is the responsibility of the parent. Repeated use of an electronic device will be reported to relevant senior staff and a suitable sanction will be issued. If a student fails to relinquish their mobile phone (or any other similar device or banned item) upon request of a member of staff then he/she will be issued with a level 4 reflection and parents contacted by a member of the SLT asking them to come in and collect the device. If the mobile phone contravention involves other related misdemeanours, such as rude, argumentative or obstructive behaviour, then additional appropriate sanctions may be applied.

11. Screening, Searching and Confiscation Screening

Searching with the Student's Consent

School staff can search students with their consent for any item which is banned in the school's Behaviour and Suspension Policy and/or prohibited by law – see Table 1 below.

Schools are not required to have formal written consent from the student for this sort of search – it is enough for staff to ask the student to turn out his or her pockets, or look in the student's bag, or through outer clothing when removed, or locker (in the student's presence) and for the student to consent.

Schools are not required to inform parents before a search takes place or to seek their consent to search their child. Where a student is not deemed to have sufficient maturity or understanding to be fit to give consent themselves, then consent will be sought from a parent.

Searching Without the Student's Consent

The Headteacher (and staff authorised by them) has the statutory power to search a student or their possessions, without the student's consent, where there are reasonable grounds for suspecting that the student has certain prohibited items in their possession, or any item that is banned by the school which has been identified in the Behaviour and Suspension Policy as an item to be searched for. When searching without consent, there should be two members of staff (of the same gender as the student being searched where possible) present at all times.

If the student refuses to be searched or have their belongings searched for suspected prohibited items, the school can ask the parents and/or the Police to carry out the search.

Schools are not required to inform parents before a search takes place or to seek their consent to search their child. The school will inform the student's parents where alcohol, illegal drugs or potentially harmful items or substances are found.

Other Issues Pertaining to Searches

Electronic devices, including mobile phones, can be searched and their data/files searched/erased if there is good reason to do so.

If a student refuses to be searched or have their belongings searched, this refusal will be treated as 'refusing to follow an instruction' and incur the appropriate sanction.

We will inform parents if banned or prohibited items are found as a result of a search.

Confiscation

Students found in possession of prohibited items may face sanctions/suspension from the school. Furthermore, any student found in possession of an offensive weapon and/or illegal drugs should expect Permanent Exclusion as a result.

Students who do not relinquish banned or prohibited items (including mobile phones) will not be allowed to return to normal lessons until the item in question has been confiscated. Students will remain in school during this time and will be isolated with an appropriate member of staff, in an appropriately supervised

area. Students who do not come to school during this period are not excluded and their absence will be marked as unauthorised.

With consent searches

The member of staff who has conducted a search for a prohibited or banned item, or an item which they consider harmful or detrimental to school discipline, can use their discretion to confiscate, retain and/or destroy any item found as a result of a 'with consent' search, as long as it is reasonable in the circumstances.

Where any item is thought to be a weapon, controlled drugs or a stolen item, it will be passed to the Police, unless there is good reason not to do so, the Headteacher will decide when, or if, to return other types of confiscated items, in line with the Education Act 2011.

Without consent searches

Teachers may seize anything that they have reasonable grounds for suspecting is a prohibited item or is evidence that relates to an offence. Any items that are seized will be retained / disposed of or delivered to the Police, in line with DfE guidance.

12. Use of Restrictive Physical Intervention

The school staff will do all they can to manage behaviour positively within the school. However, there are times when staff may need to use force to keep a student or students safe, or to maintain good order within the school. In such cases, staff would always act within the principle of reasonable force; 'reasonable' means using no more force than is necessary. Corporal punishment is not used at the school and force is never used as a punishment.

Where reasonable force is used, the needs of individual students will be considered and reasonable adjustments will be made for students with special educational needs or disabilities.

Where reasonable force is used by a member of staff, the Headteacher must be informed of the incident and a written record made. Parents will be informed about serious incidents involving the use of force.

13. Malicious Accusations Against School Staff

The school recognises that there may be occasions when a student may need to raise issues about the actions of a member of staff and has procedures for dealing with concerns. However, where the allegation may be one of malicious intent or fabrication, the school will give due regard to the most appropriate disciplinary sanction, which may include suspension or Permanent Exclusion, as well as referral to the Police if there are grounds for believing a criminal offence may have been committed. The school will consider a malicious allegation to be one where there is sufficient evidence, on the balance of probabilities, to disprove the allegation and that by the same test, there is sufficient evidence that there has been a deliberate act to deceive.

The school will also take seriously inappropriate use of technologies, including mobile and social networking sites, which are targeted at members of staff or other students.

This is in line with the school's Whole School Equality Policy and Anti-Bullying Policy

14. Fire Alarm/Disabled Person Refuge Alarm

If the fire alarm is set off maliciously there will be a sanction of a Suspension and students will be required to pay a cost. This is the cost of the call out charge to the fire brigade.

15. Training

The Governing Board will ensure that the Senior Leadership Team will provide regular and appropriate high quality training on all aspects of behaviour management to support the implementation of the policy both at staff induction and at regular intervals thereafter. The level of frequency of training will depend on the role of the individual staff member.

The school will keep records of all staff training.

16. Involvement of Outside Agencies

The school works inclusively with external agencies. The SAFE and Pastoral Teams seek appropriate support from them to ensure that the needs of all students are met by utilising the range of external support available.

If a student is continuously disruptive and fails to respond positively to the support structure offered within school and, in the relevant Learning Leaders'/ Head of Years' professional judgement, and the student's parents are not able/willing to provide the necessary support, the relevant external agency will be contacted and the matter discussed.

Relevant Learning Leaders/Heads of Year will then discuss the student and the support available from the external agency with the relevant SLT lead who will decide how to proceed.

17. Risk Assessment

Where a concern about a student's welfare is identified, the risks to that student's welfare will be assessed and appropriate action will be taken to reduce the risks identified.

The format of risk assessment may vary and may be included as part of the school's overall response to a welfare issue, including the use of individual student welfare plans (such as Education, Health and Care Plans, Behaviour Plans) as appropriate. Regardless of the form used, the school's approach to promoting student welfare will be systematic and student focused.

The Headteacher has overall responsibility for ensuring that matters which affect student welfare are adequately risk assessed and for ensuring that the relevant findings are implemented, monitored and evaluated as required.

Day to day responsibility to carry out risk assessments under this policy will be delegated to the Headteacher who has been properly trained in, and tasked with, carrying out the Risk Assessment for Pupil Welfare.

18. Record Keeping

All records created for the purposes of this policy are managed in accordance with school policies that apply to the retention and destruction of records.

The school will keep a separate record of sanctions imposed for serious misbehaviour. The record includes:

- i. the name and year group of the student concerned;
- ii. the nature and date of the offence;
- iii. the sanction imposed and reason for it;
- iv. the name of the person imposing the sanction.

This record is reviewed regularly by the member of SLT with responsibility for behaviour so that patterns in behaviour can be identified and managed appropriately.

The records created in accordance with this policy may contain personal data. The school has a number of privacy notices which explain how the school will use personal data about students and parents. The privacy notices are published on the school's website. In addition, staff must ensure that they follow the school's data protection policies and procedures when handling personal data created in connection with this policy.

19. Communication of Policy

This policy is available on the school website and accessible to all parents and staff. If a hard copy of the policy is required then the school Reception should be contacted at the school and a copy will be sent.

20. Evidence of Implementation

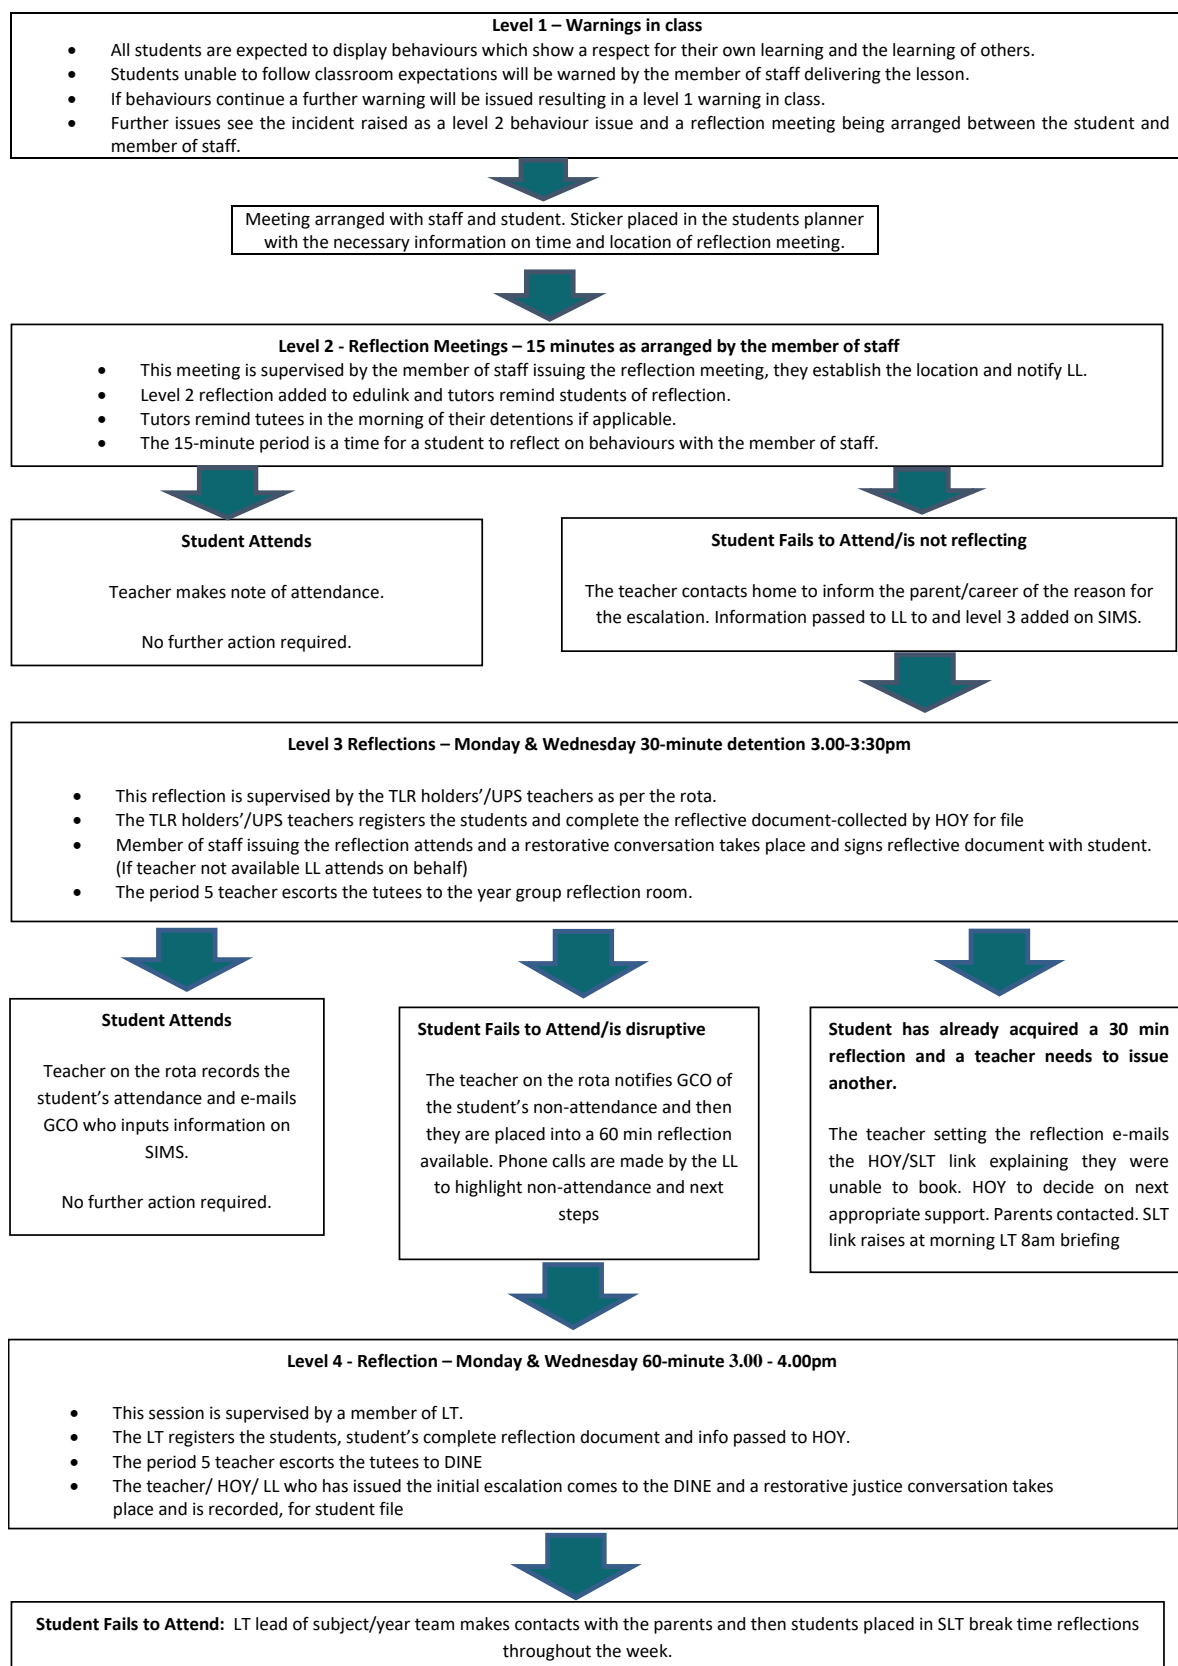

Governors will regularly receive reports from the People and External Relations Committee to ensure the appropriate implementation of this policy. In addition, during Governors' Visiting Mornings, Governors will conduct student voice activities.

21. Review of Policy

This policy shall be reviewed annually by the People and External Relations Committee and thereafter reviewed and ratified by the Full Governing Board.

Appendix 4: Behaviour Contract - Cox Green School

This contract is between:

Student:

Parent:

Every member of the Cox Green School has the right to be treated with respect; to enjoy a teaching or learning environment that is not disrupted or undermined by the negative behaviour of others; to feel emotionally and physically safe at all times; to be listened to and supported.

I understand that sitting in a place of my choosing, enjoying free time at both break and lunch-time, and leaving the School site on time at the end of the learning day are privileges that all students must earn through hard work, by following baseline expectations in behaviour and by respecting the rights of others.

I understand that this Behaviour Contract has been drawn up specifically to support me to gain the most educationally from my time at Cox Green School and to help me to follow baseline expectations in behaviour and observe the rights of others.

I understand that I have the freedom to make choices in the way I behave and that it has been made clear to me that the choices I have been making recently will not work for me. I understand that I must take this contract seriously, that I am responsible (and will be held responsible) for my own behaviour at all times and must make different choices that will work, for me and those around me.

Behavioural Expectations

1. I will attend lessons on time and with ALL the equipment needed to learn
2. I will complete all homework tasks on time and to the best of my ability
3. I will work to the best of my ability in all lessons
4. I will respect the right of others to learn by allowing the teacher to teach
5. I will stay in my seat, not call out or interfere with others during lessons
6. If my behaviour 'slips' at any point I will listen respectfully to the teacher when corrected: I will not argue, ridicule or walk away from any member of staff: I will accept the negative consequences of any 'poor choices' I make.

Consequences for failing to meet the conditions of the contract:

1. _____
2. _____
3. _____

Student:

I understand that I must meet all of the Behavioural Expectations listed above in order to earn my chosen privileges. Failure to meet the Behavioural Expectations listed above will result in my earning the consequences listed above. I understand that the consequences are non-negotiable and will be inevitable if I choose not to meet the Behavioural Expectations. I also understand that if I choose not to make the changes I have been advised to make, I will be putting my place at Cox Green School at risk.

Parent:

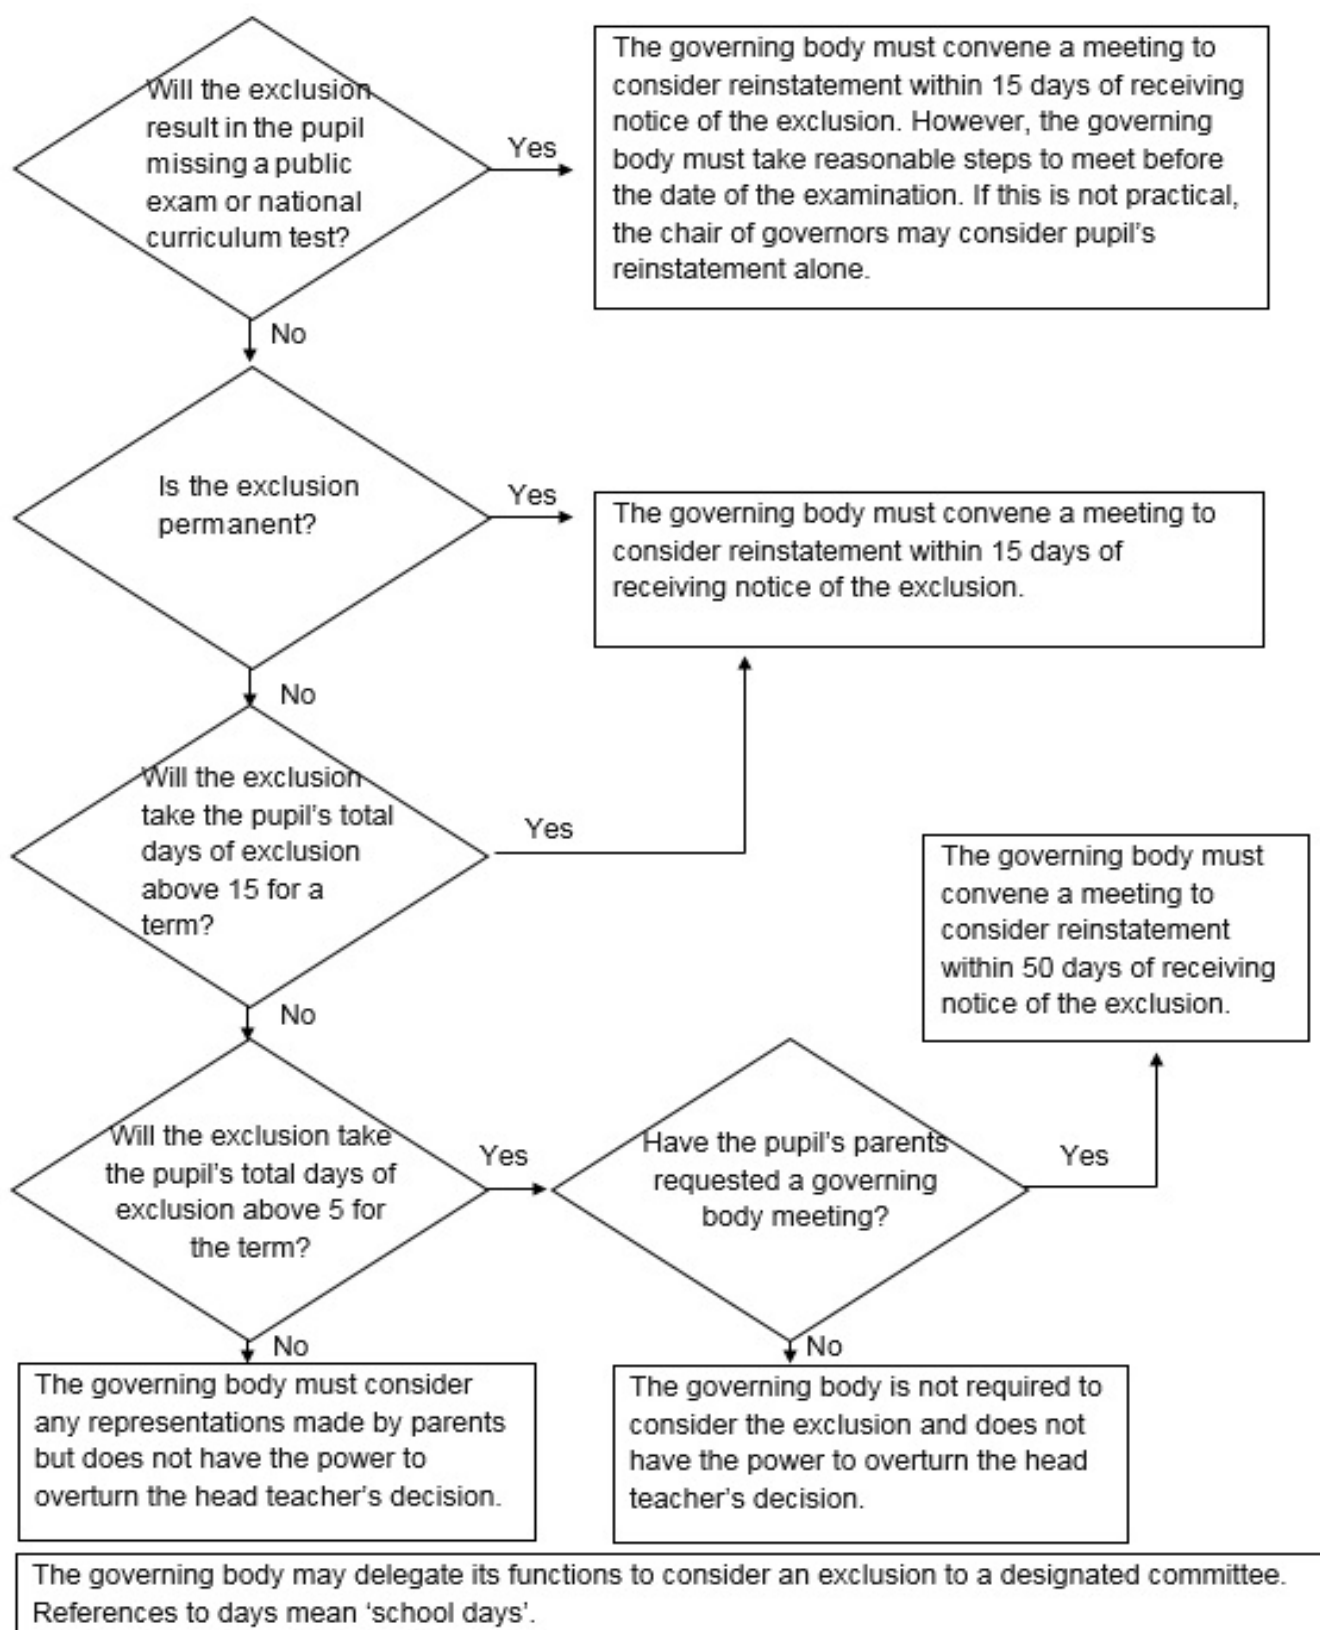

I have read and understand the Behaviour Contract and the reasons for the contract being put in place. I will support my child to fulfill the terms of the contract and will support Cox Green School should my child choose to continue to make the 'poor choices' that will result in consequences.

Appendix 7: Home School Agreement

Cox Green School - Home School Agreement Policy

Introduction

At Cox Green School we recognise that we all have a role to play in your child's success. The Home School Agreement reflects this.

Staff Agreement—Committed to achievement

Learning

- We believe every student at Cox Green is fully capable of developing the academic and social skills necessary for educational, career and life success
- We will support every student to work hard to reach their potential
- We will make sure we always come to lessons prepared and continually engage students in the challenging work that paves the way for success in school and life
- We will ensure students are aware of their achievements and provide them with advice and guidance in order to further improve their learning
- We will set appropriate and regular classwork and homework which we will mark
- We will provide rewards for students' endeavour
- We will offer every child the opportunity to learn a musical instrument and or extra-curricular activities

Behaviour and Attendance

- We will care about our students' wellbeing, and protect their safety at all times
- We will ensure that each student's class teacher and form tutor will follow their progress and ensure that their individual needs are met
- We will regularly set targets for attendance and punctuality and monitor these closely
- We will go out of our way to get to know each of our students as individuals
- We will focus on promoting positive behaviour, helping to build self-discipline and encouraging respect for others
- We will enforce the Cox Green Code of Conduct consistently and fairly
- We will insist on high standards of behaviour and will hold students to account for their actions

Communication

- We believe to provide the best possible education for our students, partnerships between parents and staff must be strong
- We believe that through regular communication, a relationship of trust between school and home can be created
- We will hold parent evenings at least once a year and issue reports twice a year
- We will welcome parents into the school community and will treat them with respect and courtesy

Parent/Carer Agreement—Committed to Achievement

Learning

- We believe our child is fully capable of developing the academic knowledge and skills necessary for educational, career and life success
- We will support our child to work hard to reach their potential
- We will allow our child to participate in extracurricular activities
- We understand that our child will have homework and that it will increase in length as they progress through the school. It is our responsibility, with our child, to see that homework is completed, and class work is reviewed each day
- We will encourage our child to work independently
- We will support our child to pack correctly the night before each school day. Making sure they are properly equipped with the following each day: Cox Green school planner, exercise books for that day's lessons, the necessary homework completed, 2 black pens, 2 pencils, 1 sharpener, 1 eraser, 1 ruler, 1 planner, 1 calculator, 1 highlighter, 1 protractor, 1 compass, 1 set square, 1 green pen, scissors, glue and in the ear earphones (for work in IT).

Behaviour and Attendance

- We have read and understood Cox Green's Code of Conduct and support the school's consequences for misbehaviour
- We will not ask that our child be excused from after-school reflection for poor behaviour or other reason such as not completing homework. It is the responsibility of parents to make suitable travel arrangements to ensure their child can attend reflection
- We will ensure our child arrives in school by 8.30 am
- We will not plan for family holidays or other absences during term time because of the impact it has on a child's grades and the message it sends about the importance of holidays over learning. We accept that the school will refer any unauthorised absence of this nature to the Education Welfare Officer, which will result in the issuing of a Fixed Penalty
- We will make certain that our child attends school every day, except in cases of illness or another legitimate reason
- We will schedule routine doctor and dentist appointments during times when the school is not in session
- If our child is absent, we will telephone the school before 8.00 am on the day of the absence to report the reason
- We will routinely review items posted on social media and being texted by our child to prevent any e-bullying of another child, or bullying towards our child
- We understand our child can have a mobile phone in their bag at school, but that it must be switched off (not on silent) whilst on school site and will not contact their mobile phone during the school day
- We understand it is our child's responsibility to record and inform us of the reasons for any reflection

Uniform

- We will make sure our child wears the full school uniform to school each day
- We understand that uniform violations will result in the child being sent home to collect the items or us bringing the proper items to school. Parents have the responsibility to ensure uniform is appropriate

- We understand that our child is not to wear: make-up; any other piercings with the exception of one pair of small, plain (gold/silver), studs; jewellery; dyed or extreme hair-styles
- No jewellery is permitted to be worn in PE lessons at any time

Communication

- We believe that to provide the best possible education for our child, partnership between parents and staff must be strong
- We believe that through regular communication, a relationship of trust between school and home can be created and therefore we will always make ourselves available to the school by providing an up-to-date phone number
- We will communicate with our child during school hours through the school reception, not via a mobile phone
- We will read all reports carefully, attend all parent meetings and sign our child's planner each week
- We will treat Cox Green staff with respect and courtesy and understand any request for a response from staff may take 48 hours due to teaching commitments
- We agree to discuss any concerns or complaints with school staff and not use social media sites to air grievances about staff, pupils, other parents or the school environment.

Behaviour and Attendance

- I will do WHATEVER IT TAKES to build a safe and respectful community in class, at breaks and within the local area
- I will always treat everyone at Cox Green school both in person and online with respect. This includes staff, students and visitors
- I agree to follow the school code of conduct and understand I will face the consequences if I fail to do so
- I know I am responsible for my own behaviour within school, outside in the local community and online
- I will wear my Cox Green uniform smartly every day and recognise that when I am outside of school and wearing the uniform I am an ambassador for Cox Green school and will behave accordingly
- I will attend school every day unless I am ill
- I will arrive to school by 8.35 am each day in good time for registration
- I will follow the school's ICT Acceptable Use Policy
- I understand I can have a mobile phone in my bag at school, but that it must be switched off (not on silent) whilst on school site
- I understand it is my responsibility to record and inform my parents/carers of the reasons for any of my reflections

Uniform

- I will make sure I wear the full school uniform to school each day
- I understand that uniform violations will result in me being sent home to collect the items or my parent/carer bringing the proper items to school.
- I understand that I am not to wear: make-up; any other piercings with the exception of one pair of small, plain (gold/silver), studs; jewellery; dyed or extreme hair-styles
- I understand no jewellery is permitted to be worn in PE lessons at any time

Communication

- I recognise that to receive the best education, partnership between my parents/carers and staff must be strong
- I will ensure that letters and information are passed onto my parents/carers
- I understand that it is my responsibility to get my planner signed by a parent/carer at least once each school week
- I will communicate in an appropriate way to students and staff in school by using appropriate language
- If I have a problem during the school day that I need to be resolved, I will talk to a member of staff. I will not take matters into my own hands and contact/text my parent/carer first as I need to give staff an opportunity to resolve it during the day
- I recognise the issues that social networking and texting can cause and will not bring these issues into the school
- I consent to the school sharing information such as my progress and attendance with parents/carers
