

Dear Parents and Carers

We had a large turnout at the first of our Open Mornings for Year 6 students this week and received so many lovely comments about our school, but most importantly about the amazing tour guides! So, thank you to all of Tutor Group 7.1 and Ms. Burke’s English class! Our next Open Morning will be held on 11th October so please do share this date with any families with Year 6 students looking at Secondary School entry.

A number of students from Years 11 and 12 have been enjoying a week at Jamie’s Farm and judging by the photographs they have had an amazing time caring for the animals, beekeeping, collecting eggs and working hard in the open air. Huge thanks to Mrs Gibbons and Ms Langford-Thomas for organising this experience.

I popped in to the Drama rehearsals for A Midsummer Night’s Dream this week and was very impressed with the enthusiasm and confidence of the cast. I do hope you will come and see the performance on 20th October. We have been so lucky to have had an upgrade to the Theatre lighting provided by Jack Linaker, a Cox Green School alumnus. As well as a huge improvement to the previous equipment and improving the quality of our performance sets, it will provide our students the opportunity to learn to control and experience lighting equipment they are likely to use in modern performing theatres and studios. We are incredibly grateful for this investment in our school by an ex-student!

Please do share any good news of any extra-curricular successes with us so that we can celebrate our students! I know we have a number of students competing in events coming up and look forward to hearing about their achievements.

Have a lovely weekend.

Mr Edwards, Headteacher
