

Dear Parents and Carers,

Our Sixth Form Open Evening will take place on Thursday 13th November and we would like to invite all our Year 11 students and their families to attend. There is no need to register, and please feel welcome to share this date with your communities. Even if your child hasn't decided their next steps, we would still highly recommend that they attend, as it is an opportunity for them to meet the Sixth Form team, ask any questions and tour the facilities. Please contact Mr Burrows and the team via sixthform@coxgreen.com if you have any questions ahead of the event.

As we approach our Half Term holiday, I would just like to remind everyone that the school will be closed to students and staff on Friday 24th October and Monday 3rd November. The school will close at 3pm on Thursday 23rd October and re-open for all year groups on Tuesday 4th November.

Thank you to all parents and carers who attended the safeguarding conference on Monday. We will be adding the presentation slides to the school website shortly. Please do take a moment to review them, should you have missed the event in person.

Mr Edwards

COX GREEN SCHOOL SCHOOL NEWS

Duke of Edinburgh: Silver Award

Congratulations to our DoFE Silver Award achievers, who have, over the last year, shown independence, commitment, and teamwork to complete the four sections of the Award - Skill, Physical, Volunteering and Expedition. Thank you to parents/carers for their continued encouragement and ongoing support throughout the duration of the Award.

More photos will follow in the coming weeks!

The Art of Debating

This week, the debating exchange with Eton College was skills based, with the 16 Cox Green students splitting into three groups for a carousel session to focus on Structure, Rebuttal and Weighing in debating. They considered these skills in the context of a number of interesting motions, for example, "This house believes reparations should not be paid to minorities." The previous motions of "social influencing" and "organ donation" were also considered.

The focus on structure analysed the debater as needing five components - a tagline (five to ten words summarising their argument), a mechanism to make it practically, a comparative which illustrated why it was the best, impact - showing why it's important, and finally a conclusion. In contrast Rebuttal focused on rejecting the premise or premises of the opposition and how to achieve this in a winning manner. Weighing is a skill used by the final speakers which shows that, while more than one argument might be right, the argument of the debater was the stronger argument. Cox Green students thoroughly enjoyed this session because it illustrated to them how to make their case more effective when debating! There will now be a break for the half term and debating will resume in November!

COX GREEN SCHOOL

WHAT WE DID THIS WEEK

Year 7

Stars of the Week

Malakai Assuncao, Dylan Burke,
Jacob Cleeton, Jake Woolford,
Gracie Vincent,
Zoya Paczkowska-Mohammed,
Vivaan Kerpel, Cade Donaldson,
Imogen King, Anthony Gutierrez Luna,
Inaaya Epton, Kieran De Souza Donovan,
Maya Deliu and Isla Clarke
Nominated for excellent effort in Maths.

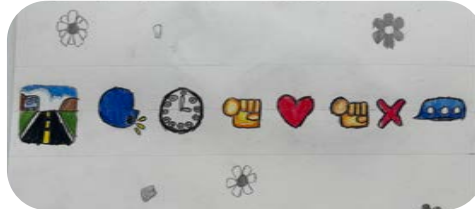

Penelope Bristow, Tripatdeep Singh,
Daisy McDermott,
Tadiwanashe Nachudwa,
Riley King, Ahmad Dellal
and Amber Chittenden
Nominated for great work in History.

Ella Addison and Ffion Pugh
Nominated for outstanding reading aloud
during English.

Freya Holloway
Nominated for her kindness.

This week, Year 7 will start their annual tradition of making their Halloween doors! Each year, the Year 7 forms get rather competitive and decorate their doors for the spookier season, with the winners judged by Mr Edwards. We look forward to showing you their team efforts next week! In Art, Year 7 worked hard exploring the very contemporary 'Art through Emojis'; and in Design Technology, the students made a start on their wooden pencil boxes.

CONGRATULATIONS

76 students with over
200 achievement
points:

- 11 from 7BA
- 13 from 7CH
- 17 from 7NI
- 18 from 7PA
- 17 from 7SH

Year 8

Stars of the Week

Kaspian Adamski
Nominated for a great start to Year 8!

Keira Cook
Nominated for helping another student
during Food Technology.

Gemma Petillo and Samy Majdoub
Nominated for outstanding work in
Computer Science designing the
school tuck shop spreadsheet.

Tilly Winter
Nominated for showing amazing
perseverance in Maths. Keep up the good
work and well done for your achievements!

George Bradshaw
Nominated for incredible independent work
in Music.

Congratulations to 8NI who all received a Star of the Week nomination from Mrs Patterson for a brilliant assembly on Monday! In Design Technology, the students started to make their catapults. In Food Technology, they studied gluten and practised making fresh dough from scratch!

Year 8

CONGRATULATIONS

48 students with over
200 achievement
points:

- 4 from 8BA
- 8 from 8CH
- 9 from 8HA
- 10 from 8NI
- 6 from 8PA
- 5 from 8SH
- 6 from 8WI

Star Form
8NI

COX GREEN SCHOOL

WHAT WE DID THIS WEEK

Year 9

Stars of the Week

Lauren Gibson

Nominated for kindness towards another student.

Charlotte Vincent

Nominated for consistent focus in lessons.

Tilly Ellis, Lily Rippen, Layla Clarke, Aveena Azam, Amelie Strickland, Juliet Rippen, Simrat Birdi and Lauren Ackroyd

Nominated for excellent work in Music.

Arthur Byrne and Max Gladden

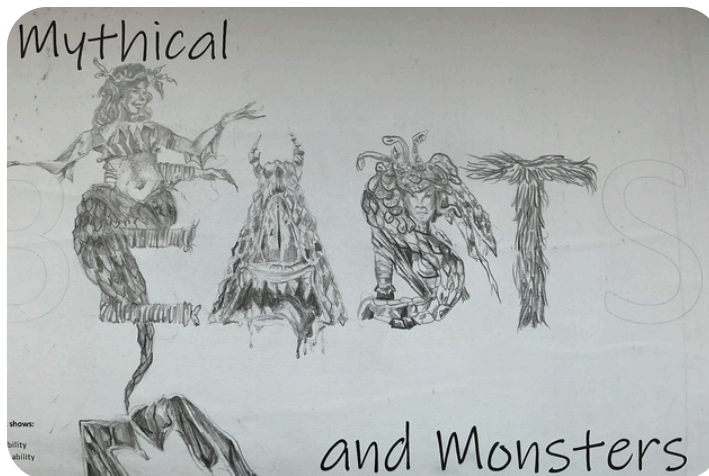

Nominated for great work in French.

Jack Williams

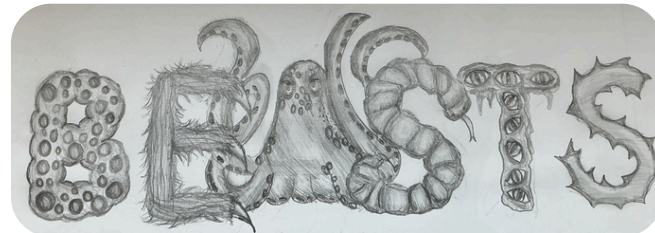

Nominated for a great start to the term.

Daisy Holland, Ethan Fonebi and Gurjeevan Khaira

Nominated for their title page homework in Art which was outstanding. Well done!

Year 9 have made a brilliant impression this week! The students have received so many Star of the Week nominations, they are currently the highest earning year group, with a record number of points picked up collectively. A HUGE well done! The students continued their intricate designs for their Mythical Beasts title pages in Art. In Food Technology, the students had fun preparing their own versions of vegetarian chilli.

Year 9

CONGRATULATIONS

47 students with over 200 achievement points:

6 from 9BA
5 from 9CH
8 from 9HA
8 from 9MI
6 from 9NI
6 from 9PA
4 from 9SH
4 from 9WI

Year 10

Stars of the Week

Timothy Chan, Abby Dobson and Mahek Mullick

Nominated for great work and contributions in form.

Jahan Jacques, Eshaal Razwan, Sam Garside and Georgia Leroy

Nominated for exemplary behaviour and consistently displaying the Cox Green values.

Olivia Cecaro

Nominated for proactive and well focused in tutor activities.

Bella Rance

Nominated for making a great start in Maths and consistent engagement in class. Keep it up - well done!

Luca King

Nominated for making an excellent effort at the start of Year 10! Well done!

At Cox Green School, we are very lucky to have a dedicated Information, Advice and Guidance officer, supporting our students. Mrs Thompson has had an 18 year career

working in schools, colleges and also at a University in Berkshire. Mrs Thompson plays a vital role in school, helping students explore their future pathways, to make informed decisions about their education, training or employment. This year, Year 10 will be focusing on developing their CVs in their Personal Development sessions as well as considering creating effective cover letters and developing their interview skills. Please get in touch if you have any questions in preparation for Year 11 and life beyond Cox Green! Mrs Thompson can be reached via email h.thompson@coxgreen.com and students can book a career appointment to see her onsite at school if they wish.

Year 10

CONGRATULATIONS

23 students with over 200 achievement points:

5 from 10BA
1 from 10CH
5 from 10HA
1 from 10NI
5 from 10PA
6 from 10WI

Well done!

This week, Year 11 artists have made a very impressive start on their self portraits, improving their technique and developing a range of artistic skills in the process. Don't forget that all Year 11 students who continue to earn achievement points will be eligible to exchange these in return for benefits and enhancements for their upcoming prom!

Mr Burrows would like to invite all Year 11 students and their families to attend the Sixth Form Open Evening taking place on Thursday 13th November. Even if your child is unsure about their next steps, we would recommend that they attend the evening to meet the team and ask any questions they have about Post 16 education and life at Cox Green Sixth Form.

Head of Sixth Form Talk:
6:15pm

Study Ready, Work Ready, Life Ready
<https://www.coxgreen.com>

COX GREEN SCHOOL SIXTH FORM NEWS

Another proud week for the Sixth Form! I would like to take this time to say a huge congratulations to our Sports Academy students who were victorious in the FA Youth Cup Third Qualifying round on Tuesday, securing a 6-2 victory. The highlight of the game was the fantastic goal by Jayden Dennison! Well done boys!

This week, Year 13 students have been to Pembrokeshire, to complete some of the compulsory fieldwork components of their A-Level Geography course. Students have completed a mix of human and physical fieldwork on several beaches and even had a chance to take a speed boat over to the extinct volcano on Ramsey Island. We are pleased to share some photos of the students having a brilliant time away!

Finally, I wanted to highlight to our Year 11 parents, our upcoming Sixth Form Open Evening on Thursday 13th November, starting at 5.30pm. All are welcome to attend and we look forward to seeing you all there!

Mr Barrons

**6th Form
Stars**

**Elizabeth Horgan, Emilia Murphy
and Lindsay Schoeman**

Nominated for their excellent coursework
in English. Well done!

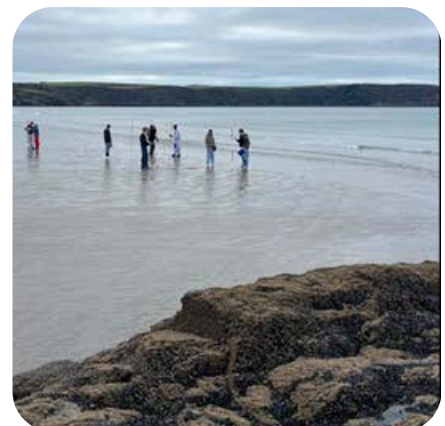

**Pixie Walkeden-Egan, Jessica Porter,
Zsofia Milligan, Jiya Kaur Phull,
Mason Brown and Freya Mennie**
Nominated by Mrs Olmos for excellent
homework submissions. Well done!

University of Southampton

Student reporter, Angel, shares her experience of the University of Southampton Trip which took place last week:

“The Year 13 History and Geography students had the opportunity to visit the University of Southampton to gather research towards their coursework assignments. First, they were given full access to the online library and then given detailed instructions on how to deduct valuable information through systematic search. Next, they enjoyed the campus facilities and some even got fed by robots! Finally, they spent time in the library, talking to students, and finding books relevant to each of their topics.”
