

Dear Parents / Carers

Year 11 Prom was a huge success last night and I hope all of the students enjoyed the event. It was lovely to see everyone in their evening wear looking so glamorous and congratulations to our Prom King and Queen, Brandon and Chloe. I must also acknowledge Liam, who threw some very impressive shapes on the dance floor, easily winning Best Dancer! I would like to thank Mrs Bedwell who once again worked tirelessly in making the venue look spectacular, assisted by Ms Bett. I know their hard work was greatly appreciated by all who attended. We have Year 13 Prom next week so please do look out for photos!

Our first Diversity Student Conference was incredible and I was so impressed by the participation and enthusiasm of the groups involved. Massive thanks to Ms Molly Kemp, our keynote speaker for the day, who inspired all who participated.

Thank you to our Unity group for some informative and interesting assemblies this week and we are all looking forward to the upcoming Unity Festival.

Huge congratulations to Imogen Wilson who has qualified for the English Schools' Athletic Championships in Manchester next week and will be competing in the 300m. I also had the pleasure of meeting with Mia Keating this week who is currently excelling in a number of throwing events and I look forward to following more of her achievements over the coming athletics season.

We had a couple of trips this week – thank you to all staff who attended the Theatre Trip to Wycombe with Year 7 and 8 and the Year 12 Teambuilding Trip to Southend was enjoyed by all. The rain stayed off and I hear that the ice cream hut were pleased to serve 54 ice creams!

Year 12 Parents' Evening worked well via video this week – thank you to all who engaged. We do encourage communication throughout the year with our teaching staff so you are welcome to email teachers throughout the year if you have any queries or concerns.

Mr Mitchell will be welcoming our incoming Year 7 students next week for their Year 6 transition days and has some great activities planned for the two days. Sadly our Makaton event scheduled for next week has been postponed so we will keep you updated with the new date when it has been confirmed.

Have a lovely weekend. **Danny Edwards, Headteacher**

Uniform Donations

We would love to receive donations of any items of uniform that your child has outgrown that you are willing to donate to our preloved uniform shop.

(We particularly need **blazers** in larger sizes for older students and **school ties**)

Items will be sold at greatly reduced prices and all profits will be ploughed back in to the school.

Please drop in any good condition and freshly laundered items in a bag at reception.

Thank you.

Maggie White gets signed by Queens Park Rangers for Under 14 Girls

Huge congratulations to a very keen footballer in Year 8. Maggie plays with her team, Maidenhead Boys & Girls FC U13 Girls, who won the Berks County Girls Division 1 League this year.

Following on from that success, Maggie has been trialling with various football clubs and has now signed for QPR Women U14 Girls! They will be playing in a boys league next season which will be a new challenge and from there, when she moves into the next age group, she will be playing in the Junior Premier League. Exciting times ahead for Maggie!

Congratulations!!

Well done to all the bakers, sellers and supporters of the Rock the Blue Cake Sale on Tuesday!

We raised £147.52 for Children's Hospice Week.

Last week "La Mariposa" led the assemblies. The topic was '*how to tackle sexism at school*' and '*what to do and not to do when students face these situations*'.

They went through the results of a survey sent the week before where the whole school were asked if they consider themselves feminists and if not, why?. Also, some of the most common sexist language used in school was shown.

The students of "La mariposa" were really brave and did a great job! According to some students "*it was very inspiring and informative*".
