

Dear Parents and Carers

We finished this academic year immersing ourselves in a week full of events incorporating Unity Workshops & the Festival, sessions on My Subject and it's Culture, Careers Focus Workshops and culminating with our fantastic whole school Sports Day.

This newsletter highlights these fantastic events. To read the Headteachers End of Year Report please click [here](http://cgss.co/ht).

Have a wonderful summer!

Cox Green House Flags

Each and every student and staff is a member of one of the houses at Cox Green School and Sports Day certainly brings out the competition between the houses. This year we thank Zoe Richard (Year 8) for her incredible hand drawn designs of these house flags and thanks also to the Richard family for having these made into flags for us!

Unity Festival 2022

Unity Festival 2022

The first Unity Festival took place on Wednesday for Year 7 and 8. It was an incredible celebration of all the diverse cultures at Cox Green School. Thank you particularly to Terrell Lewis, who joined us once again as key speaker with his brilliant spoken word performance, and all the students and staff who contributed to the event. We look forward to 2023!

The Unity Group at Cox Green School was established in 2020 with the key focus being to further educate students, staff, parents and carers on all matters of race; to talk openly about race and to encourage discussions internally and externally to support change and appreciate others. The group also prides itself on building a culture of trust, where pupils feel confident to come forward and know that they'll be listened to.

Sports Day 2022

Student News

UEFA Women's European Football Trip

Last Friday, over fifty Year 7 and Year 8 students travelled to Brentford Community Stadium to watch a group stage of Germany vs Denmark for the UEFA Women's European Football Championships. With the result being 4-0 to Germany, there was a lot of action to watch on the pitch as well as the occasional Mexican wave around the stadium. Whilst the entertainment on the pitch was equally exciting, students also managed to grab the attention of professional footballer Alex Scott who was commentating nearby. Overall, it was a fun experience had by all and the students were a credit to themselves with impeccable behaviour throughout.

Berkshire County Football Trials

Eloise Kyte, Amy Crocker & Maggie White took part in the Berkshire County Trials yesterday. They got stuck in straightaway and represented themselves and the school to a high standard and done very well. There are more trials happening next week and after that the elimination will start.

Good luck girls!!!

THE DUKE
OF EDINBURGH'S
AWARD

Duke of Edinburgh Bronze Expedition

Congratulations to those Year 11 students who took part in their Duke of Edinburgh Bronze Expedition this week, which was delayed by the pandemic.

Mr Morris, Miss Killick and Mr Shand, along with the assessors, were impressed with the students' perseverance and determination. All of the students showed great resilience and teamwork in dealing with the warm weather.

If you are in Year 9 or 10 next year, look out for Duke of Edinburgh letters in September on how to enroll on the Bronze or Silver Award.

- Mr Morris

Sports & Events News

Sports Leaders

A huge well done to our Sports Leaders for all their ongoing work this term with the primary school students in their enrichment sessions. A particularly proud moment was seeing their outstanding efforts at the Wessex Primary School Sports Day on Wednesday. They demonstrated excellent team work by taking the lead on different events and encouraging and motivating the Year 1 and 2 students throughout. Their hard work has paid off and have developed into excellent sports leaders!

Rounders

Congratulations to our Year 8 and 9 Rounders Teams who had some top performances in the league fixtures this term. There were some excellent wins against Altwood, Furze Platt and Claire's Court.

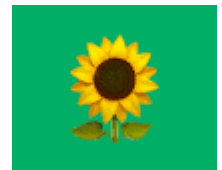

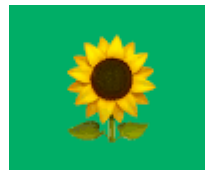

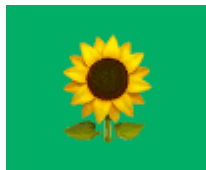

Great job all!

Sunflower Competition Results

In Term 4 we launched our Year 8 Sunflower Growing Competition, and the results are in. The hot weather this term has been perfect growing conditions, so they have really started to flourish. The overall winner is Charlotte Sloan who won the category for Best Flowering Sunflower and receives a £10 Amazon voucher. The winners of the categories for Most Sunflower Heads (Amy Crocker), Most Uniform Sunflowers (Maisie Dale-Gough), Tallest Sunflower (Ruby Purser) and Biggest Sunflower Leaves (Lily Compton) all receive a £5 Amazon voucher.

Well done everyone!

(this week)

We'd love to invite you to our **undergraduate taster day** as a perfect introduction to our subjects in the Creative Arts including **Animation, Game Art and Visual Effects**.

Why join our taster day?

- Take your seat at a workstation (**in-person or online via our remote workstations**) for a session in each discipline
- Use industry-standard software including **Autodesk Maya, Unreal Engine and Nuke**.
- Create some digital artwork that you could include in your portfolio.
- Explore our state-of-the-art studios in central London!

This is a great opportunity for students who are interested in a career in the creative industries, which are set to lead the post-COVID recovery. Oxford Economics have predicted the sector could grow by over 26% by 2025, contributing £132.1 billion to the UK economy! (Televisual.com)

Undergraduate taster day

- ✕ Saturday 16th July
- 🕒 10.30am - 1.45pm
- ✕ 190 High Holborn, London, WC1V 7BH ([find us](#)) or online

Book my place

Wednesday 20 July

10:00 - 15:00

Online
