Newsletter 12th—16th December 2022

Dear Parents and Carers,

This week has been very positive, with a number of students receiving awards. Mr Aston hosted a ‘reward morning’ for Year 9 with cupcakes and a Christmas raffle, inviting students with exemplary behaviour this term. A number of students qualified for their Bronze Award which were awarded by their Heads of Year and Scarlett Hill in Year 8 will receive a Headteacher Community Award following an exceptional email from a member of the public about her empathy, conduct and behaviour in the community. Congratulations Scarlett!

Our Junior Student Leadership team met the team at Alexander Devine Children’s Hospice and we look forward to presenting them with the funds raised after the Non-Uniform Day next Friday.

Our annual “You’re Hired” event was a huge success and thanks go to all our volunteers from local commerce who gave up their time to assist with the practice interviews with Year 11.

Year 12 visited Royal Holloway this week for support and suggestions with their EPQ and the Year 11 Debating Team visited Eton College for a debating exchange in their amazing Debating Chamber! Students were also treated to a tour and a lovely lunch and we look forward to welcoming their students to Cox Green School in 2023 for a return fixture.

We invite all parents/carers to complete our online survey to help give feedback to the school and allow us to continue to develop the education we provide at Cox Green School <https://forms.office.com/r/pnfjwKhg65> This link will be open until Wednesday 14th December.

The forecast remains very cold again for next week, so please do ensure that students have a warm coat and are dressed appropriately for the weather. Please remember that hoodies of any type are not permitted but we do have a large number of preloved jumpers available if students require a school jumper under their blazer.

A reminder that school closes at 12.30pm on Friday 16<sup>th</sup> for the Christmas break.

Wishing you all a warm and happy weekend!

**Mr Edwards, Headteacher**

## Year 10 Netball

A big well done to the Year 10 Netball Team last week. This was by far their strongest set of games played this season. Although they lost to Windsor Girls, they had an excellent win against Furze Platt and drew with Holyport College. The standard of play has improved dramatically this season and this was reflected in this week's results.

The team nominated Tegan Thomson and Cameron Elston as players of the evening, which was well deserved after their reliable performance.

## Winter Concert

Congratulations to all the students from Year 7 to Year 11 who performed at the Winter Concert last week. It was fabulously festive and a wonderful collaboration of musical talent across the school.

Thank you to Ms Killick and the team for the organisation and also to the new PTFA for serving the refreshments during the interval.

## Debating Team

Eton College and CGS had been preparing for this debate celebration in the Eton College Debating Chamber by a series of Microsoft Teams debating exchanges that had taken place between the two schools over Term 1 and Term 2.

When the teams met on Monday 5<sup>th</sup> December at Eton College, students and staff hosted CGS beginning with lunch in one of the Houses, followed by a tour of the school and then prepared for two debates in the debating chamber.

The motions before the house were "that this house believes the wives of political leaders in third world countries should have political power along with their husbands" and "that this house believes football clubs should be responsible for the actions of their fans."

After much animated debating with sophisticated analysis by speakers and points of information from the opposing teams, CGS look forward to continuing this exchange in the New Year with a reciprocal visit after what was a very successful day, hugely enjoyed by all!

The CGS students were Diana Pascu, Jack Golding-Walker, Sophia Hussain, Selma Suleyman, Molly Nelson, Jasvin Brar, Amy Bond, Kamran Hussain and Taylor Brooks.

### VIOLIN LESSONS

I am starting new lessons for violinists next term, so if your child would like to learn, this is their opportunity.

All information and prices are on the Berkshire Maestros website – [www.berkshiremaestros.org.uk](http://www.berkshiremaestros.org.uk)

Alternatively, you can contact myself at [Clairelarkin@berkshiremaestros.org.uk](mailto:Clairelarkin@berkshiremaestros.org.uk) if you need more information.

If you would like your child to learn, please register online to put the wheels in motion.

Learning an instrument has numerous educational benefits along with the necessary discipline involved. It is also a source of great joy to be able to play both alone and with other musicians, and a skill that lasts a lifetime.

If your child would like to take this opportunity, please apply as soon as possible.

Kindest regards

Claire Larkin

## STREP A / SCARLET FEVER

You may be aware of the recent media coverage surrounding an increase in case amongst children of Strep A, which in a few cases has sadly been fatal due to bloodstream infection. Although this is a common bacteria, in its mildest form causing a sore throat, it can lead to Scarlet Fever, which is highly infectious and parents should be alert to recognising signs and symptoms to avoid its spread.

Awareness of these isolated cases of a more serious nature, naturally cause concern amongst parents/ carers and we would like to pass on the information below which has been offered to schools on the prevention of its spread in the school community.

### ADVICE FOR PARENTS FROM NHS FRIMLEY

Dear Parents and Carers,

We are writing to you because we know parents and carers are worried about the national outbreaks of Scarlet Fever, caused by a Group A streptococcus, a bacterial infection.

If your child has a sore throat, fever, runny nose, headache, or rash, please visit the NHS Frimley Healthier Together, before calling your GP or attending A&E, to find;
