COX GREEN SCHOOL NEWSLETTER

Dear Parents and Carers,

Our Sixth Form Open Evening will take place on Thursday 12th November and we would like to invite all our Year 11 students and their families to attend. Even if your child hasn't decided their next steps for post 16 education, we would highly recommend that they still attend, as it is an opportunity for them to meet the Sixth Form team, ask any questions, and tour the newly refurbished facilities. Please contact Mr Burrows and the Sixth Form team via sixthform@coxgreen.com if you have any questions.

A reminder that the PTFA AGM will take place online on Monday 19th October, from 5pm. The committee would like to invite all parents and carers to attend to meet the team, learn more about the PTFA, and get involved with the upcoming events for the new school year. The committee are welcoming new members and volunteers. Please contact Ms Chate via p.chate@coxgreen.com if you have any questions ahead of the meeting.

Next week, Year 7 will be taking part in our annual 'Halloween Doors' where the students get to decorate their form room doors. We look forward to sharing photos next week!

As we approach our half term holiday, I would just like to remind everyone that the school will be closed to students and staff on Friday 23rd October to Monday 2nd November. The school will close at 3pm on Thursday 22nd October, and re-open for all year groups on Tuesday 3rd November.

The Art of Debating

Mondays, Week 1 and Week 2

3pm - 4pm

Miss Leary

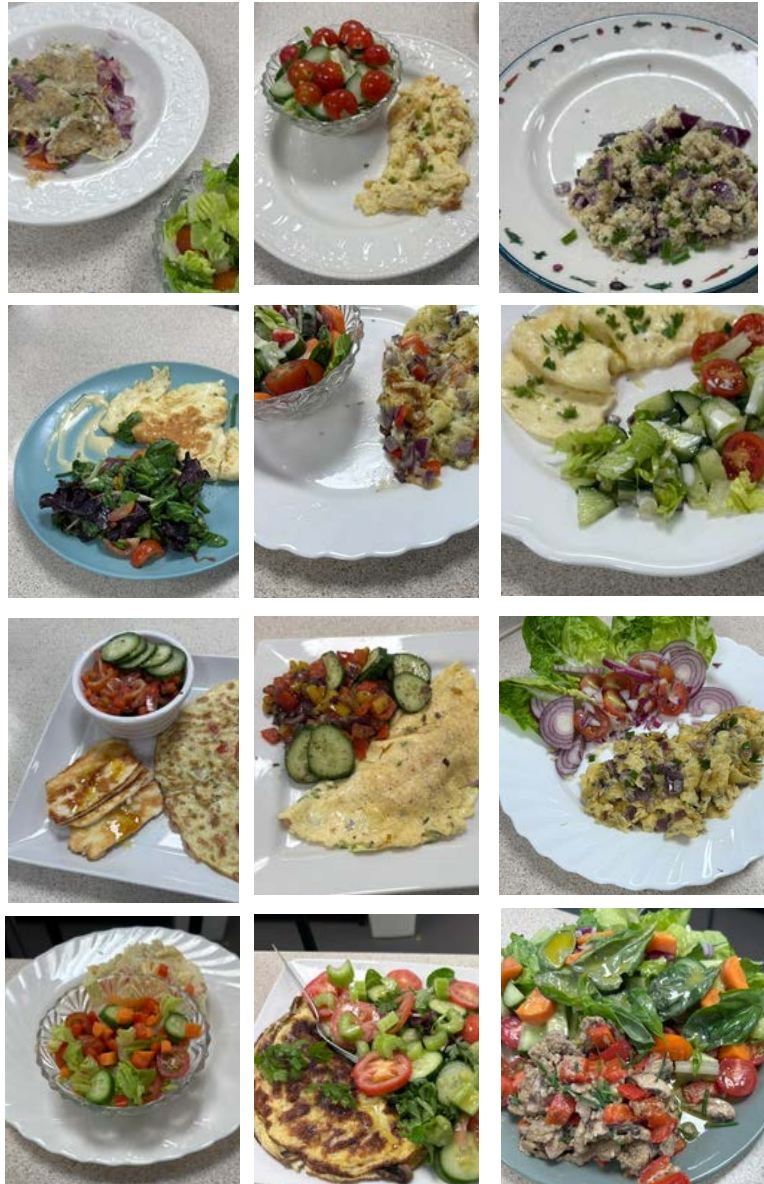

On Monday, we were thrilled to welcome back the students from Eton College to resume the debating exchange for the new academic year. This year's cohort from Cox Green school consisted of both new and seasoned debaters. In their first session, the debaters were introduced to the principles of British Parliamentary style and the students from Eton gave a brief introduction; showcasing the roles of Opening Government, Opening Opposition, Closing Government and Closing Opposition. Our students learned the fundamental elements of the debating structure; including the timed 15 minute preparation, followed by 5 minute speeches. The students considered the 'Points of Information' and together, examined the basic building blocks of forming an argument, such as the thesis, mechanism, impact and weighting.

Cox Green students asked a range of questions to the Eton representatives, before preparing their own arguments on the motion '*This house believes that we should ban zoos.*' This proved to be a very accessible topic that led to a range of interesting environmental arguments, and the safety arguments for both humans and wildlife.

The confident way students engaged in the session bodes well for the future, and we look forward to seeing debaters speaking next week on the another engaging topic.

Year 10 Catering Final Dishes

We are pleased to include the photos of our Year 10 students final dishes for their omelette and salad entries. Well done all!

Sixth Form

This week, Sixth Form students welcomed Stuart Wren, from the University of Cambridge. The students discussed ways to improve their personal statements for their upcoming university application. The format of the personal statements has changed; instead of submitting one A4 page of text, students are now invited to frame their personal statements around the 3 questions below.

The new framework aims to provide clear scaffolding to the students' statements; allowing them to showcase their talents and experiences alongside their academic achievements. During tutor time, the students have regular appointments to meet with their Head of Sixth Form for advice and support preparing their statements and applications, as well as regular access to their mentors and Careers Officer. If you or your child have any questions about UCAS, the new framework or the applications process, please don't hesitate to get in touch: sixthform@coxgreen.com.
