MAY 2025

Dear Parents and Carers,

This week, we celebrated the achievements and successes of our Year 13s in their Leavers' Afternoon on Wednesday. We are delighted to show highlights of the event on page 4, and we hope that the students enjoyed their day. It has been a pleasure to see the students develop into the incredible young adults they have become; committed to their subjects and individually all contributing to making a positive impact in the wider school community. I wish all of our students well in their next steps, whether that is university, apprenticeships, travelling or employment. I hope that our students leave us this week with positive memories and the self belief that they can succeed. Best wishes to all of our Year 13 students - be happy and stay in touch!

To our outgoing, outstanding, student leadership team - we would like to thank you for your hard work, dedication and commitment to your role in this academic year. It has been truly inspiring to see you all rise to the responsibility and uphold our community values. Together, you have raised the standards and expectations of what our student leadership team can achieve. Over the last year, we have seen you co-ordinate successful tombola and fundraisers, support key events for the school with professionalism and excellence, and finally, succeed at becoming impressive, respected role models for your peers. Sincere thanks to Head Students, Taylor Brooks and Deeya Jutla and their deputies: Gurjeevan Jagdev, Hannah Hillen, Amy Bond and Milly Rogers. Sincere thanks also to our Lead Students; Isabel McKeown, Adam Hodges, Naomi Fakehinde, Jack Golding Walker and Diana Pascu.

We are delighted to announce the student leadership team for 2025/2026! Congratulations to Head students, Angel Owusu and James Van Laar with their deputies: Lydia Kirkham, Adam Haywood, Summer Axten, Evelyn Bullivant, Rutendo Mateko and Abigail Florey. Our students are looking forward to starting their handover this term and will formally take their posts in September!

Best wishes,
Mr Edwards, Headteacher

Assemblies this week: Be Respectful Road Safety

This week, the students' assemblies focused on the importance of road safety. Presented by a nominated form group, the students discussed pedestrian safety, cyclist precautions and how to avoid dangerous behaviour on the road. The presentations taught the students that respect and awareness on the roads can prevent serious accidents and that road safety is everyone's responsibility.

COULD YOU BE A STUDENT LEADER?

Introducing Transition Champions

- We have an exciting new opportunity for Year 7s to get involved in student leadership by becoming Transition Champions
- If successful, you will support the Year 6 students on their transition days on the 1st and 2nd July.
- You must be committed as this will also involve you coming into school on the Year 7 induction day in September to support your allocated group, so please discuss this with parents before applying!
- There are 12 roles available.
- You will be expected to support the staff and students with tours, answering questions and helping to support the different activities.

How to apply

- If you would like to apply you need to email Miss Hughes your application letter which should be no more than one page of A4.
- The deadline is 3:00 on Friday 23rd May
- In your letter you should include the reasons why you feel you would be the best person to do the role.
- We will shortlist and interview after half-term before appointing the successful transition champions.
- Good Luck!

COX GREEN SCHOOL SCHOOL NOTICES

Reminder for Year 11 and Year 13 Students

Please remind your child to return their library books before they go on study leave! It does not matter if they have had the books for a while - the library will be pleased to welcome them back to clear your child's account! Books can be returned during the school day or library opening hours.

Please note that should your child become unwell whilst at school, they must come to Student Services. We are having an increasing number of incidents where students have contacted home directly to arrange collection. This can cause safeguarding issues and will be recorded as an unauthorised absence. Should your child contact you directly, please ask them to come to Student Services for support. This is important to ensure their safety and wellbeing while contact home is made.
