Dear Parent/Carer

Cox Green School Fund - New Online Donation Portal

At Cox Green School, we strive to provide every student with an exceptional learning experience that goes beyond the classroom. The **Cox Green School Fund** plays a vital role in making this possible by funding the *essential extras* that government funding simply does not cover.

Thanks to the generosity of our community, we've already achieved some fantastic enhancements—most recently, the installation of **two outdoor canopied seating areas** in summer 2023. These spaces offer our students a more comfortable and flexible environment during breaks and lunchtimes, helping to improve their wellbeing and social interactions.

Looking ahead, we are currently fundraising for an exciting and much-needed project: the purchase of a **new school minibus**. This will allow us to expand opportunities for educational trips, sports fixtures, and community engagement, enriching the school experience for all students.

By donating to the Cox Green School Fund, **you are directly contributing to your child's education and helping us maintain and grow the vibrant learning environment they deserve**. Every contribution, no matter the size, helps us move closer to our goals. We are therefore pleased to let you know that it is now even easier to donate via our new online donation portal where you can make a one-off donation or set up a regular monthly donation. To find out more, please visit:
