Dear Parent/Carer

**Re: Year 11 Subject Information Evening**

I am writing to invite you to our Year 11 Subject Information Evening on Monday 12<sup>th</sup> January at 5 pm to 6 pm, to be held in the Theatre. This session is designed to help you and your child prepare for the upcoming formal examinations and make you aware of what to expect over the coming weeks and months.

The evening will consist of the following:

- A presentation by the **Head of Year** on **how parents can support their child to revise**, including practical routines, resources and wellbeing strategies.
- Overview of Year 11 timelines, such as mock exams, external assessments and other key dates.
- A **10-minute presentation from each core subject**, English, Maths and Science, where subject specific revision strategies, resources and guidance on how you can best support your child will be shared.
- Options and guidance for post-Year 11 pathways (further study, vocational routes).
- Q&A with subject teachers and senior leaders at the end of the evening.

I would strongly encourage you to attend so that you will be in the best position possible to support your child in the lead up to the formal examinations. It may also inform some of the conversations you will have at the Parents' Evening on Thursday 15<sup>th</sup> January.

If you would like to attend, please can I ask that you fill out the Microsoft Form using this link [Year 11 Subject Information Evening](#) no later than 5 pm on Friday 9th January, so that we can plan for the evening accordingly. Unfortunately, due to numbers this event is just for parents/carers.

We look forward to seeing you and working together to support our Year 11 students through this important year.

Yours sincerely

Mr A Shields  
Deputy Headteacher
