Reporting Student Absence

It is imperative that parents/carers contact the school before 8.00am if their child is unwell and unable to attend school, on each day of absence.

Any absences that we have not received a reason for within a reasonable timeframe, will be followed up and the Attendance Officer will proceed to call all contacts that we hold on your child's record. For safeguarding purposes, if we have not managed to make contact then members of staff will visit your home to ensure the welfare of your child. All leave of absence is recorded on your child's school file.

Medical Appointments:

Whilst some appointments may have to take place during the school day, e.g. specific scheduled hospital appointments, there are other appointments that could take place outside of school hours. It is expected that students are only out of school for the actual appointment and are therefore able to attend before and/or after in order to allow minimum disruption to their lessons and attendance. Term time absences should be reported at least 24 hours before with supporting documents, such as a medical appointment card.

Please note that should your child become unwell whilst at school, they must come to Student Services. If your child becomes unwell during the school day and contacts you directly, please ask them to come to Student Services for support. This is important to ensure their safety and wellbeing, while contact home is made.

Send an email to enquiries@coxgreen.com

The Addams Family MUSICAL

The Creative Arts Department are thrilled to announce that this year's school musical will be *The Addams Family!*

Auditions will be held on Tuesday 30th September in the Theatre from 3pm - 5pm. Students can collect the scripts and music from the Music Department this week. Auditions will be held in order of request from 3pm, and students are welcome to head home after they have finished their piece.

For students that would like to be part of the chorus, (rather than the main cast), we would also invite them to come along on Tuesday to sign up. Please note that the members of the chorus do not need to audition.

The Creative Arts Department will also be recruiting volunteers for stage hands and back stage support. If your child is interested in supporting the musical, please encourage them to speak to Miss Killick.

"The Addams Family" is presented through special arrangement with and all authorised performance materials are supplied by Theatrical Rights Worldwide (TRW). www.theatricalrights.co.uk

COX GREEN SCHOOL SIXTH FORM NEWS

Sixth Form students are into the full swing of their timetables and have made a real impression upon the Sixth Form team with the positivity they have shown towards learning at the beginning of this academic year.

Life in Sixth Form stretches far beyond the classroom and this week has seen the launch of our enrichment programme. This year, we look forward to our students supporting the local community in care homes, primary schools, and Manor Green, as well as our own school community in projects such as Peer Mentoring. It has been inspiring to see the excitement students have for supporting others, and exactly what we hope for our Sixth Form body.

If you get a chance in the coming weeks, feel free to check out our refreshed Sixth Form page on the website which includes updated student profiles, information about our University destinations from last year and a new video showcasing life in Sixth Form!

In Health and Social Care, the students considered sampling techniques by looking at the best approach to use for research methods.
