

Wednesday 1<sup>st</sup> February 2023

Dear Parent/Carer

**Re. Year 9 Options Subject Taster Day and Options Information Evening – Thursday 9<sup>th</sup> March 2023**

We are looking forward to the Options Subject Taster Day for Year 9 students on Thursday 9<sup>th</sup> March followed by the Options Information Evening.

During the day, each student will have the opportunity to attend four Subject Taster Sessions and then we would like to invite parent/carers and students to join us at **5.45 pm for the Options Information Evening** where you will learn more about the process whilst having the opportunity to experience presentations from each subject teacher. The evening should end at 8.00 pm.

In advance of the Subject Taster Day, students will need to choose four Taster Day sessions to attend on Thursday 9<sup>th</sup> March. These do not need to be their final choices for study, it is purely for them to understand more about a subject they may be interested in studying or to learn about a new qualification we are offering. We have extended the time they need to do this by until 5pm **Sunday 19<sup>th</sup> February 2023**.

Students should follow the link below to select their Taster Sessions. There is no priority given to those completing this process early, therefore please take your time before submitting your request.

To submit their choices your child will need to complete the form here <https://forms.office.com/e/BXFBRBr7He>.

If you have any questions or concerns regarding the above, please do not hesitate to contact me via [options@coxgreen.com](mailto:options@coxgreen.com)

The Year 9 Options Booklet with information about core and option subjects is available on the school website and can be accessed via this link <http://cgss.co/9options>. We ask you to carefully consider this information in discussions with your child prior to completing the form.

Yours sincerely

Mr C Holman  
Assistant Headteacher
