Dear Parent/Carer

It has been a very busy start to the term for Year 11 with the publication of their mock results, Parents Evening and Friday's Sixth Form Taster Day however, every student has acquitted themselves admirably and are showing the sort of maturity which will stand them in good stead for this summer and beyond.

A big thank you to those parents who attended the Exam Preparation Evening last Monday. We hope you found the evening informative, and you now feel you are in a better position to support your child over the coming months. If you were unable to attend the meeting a recording of the presentations can be viewed on our You Tube site by clicking on this link <https://cgss.co/11revision>.
