

Dear Parents and Carers,

Congratulations to 7.1 who won the 'Masked Reader Challenge' and I am delighted to see so many students rewarded for their participation in the 'Get Caught Reading' competitions over the last week. Our reading mentors and their mentees enjoyed a hot chocolate reward morning today and Miss Burke has been very impressed with the commitment shown by all to the sessions.

Thank you to all Year 9 parents and carers who attended the Options Evening last night, and we greatly appreciate the lovely feedback from those who have emailed in to say what a brilliant and informative event it was. Year 9 students had a number of taster sessions to try out their subjects yesterday afternoon and have until Friday 17th March to select their final option choices using the link on the letter sent today.

Year 7 continued looking at issues around fashion in Personal Development this week and Year 8 looked at how charities work globally. Year 9 were focusing on online safety, reflecting on how much screen time they have and the effects of that. Year 10 continue to focus on careers and started to write their CV's whilst Year 11 were concentrating on revision and study skills.

You will be aware that we were devastated to lose a beloved student Sean Norbert Anyanwu last summer. We would like to honour Sean's memory by redesigning our Basketball courts, a place where he can be remembered by his friends and inspiring other students to enjoy the game as much as he did. To enable this project to go ahead, we are reaching out to businesses in our community to ask if they are able to help in any way. Whether that is by contributing equipment (basketball posts, paint, benches etc), help with resurfacing or donations, any assistance would be greatly appreciated so please do get in touch if you know of anyone who would be happy to assist.

The National Education Union have confirmed that the next strikes will take place on Wednesday 15th and Thursday 16th March 2023, and due to the number of teaching staff striking, we have made the decision to move to online learning for Years 7, 8, 9, 10, 12 and 13. School will be open to Year 11 as normal. There will be provision at school for a small number of students with Key Worker parents/carers so if you consider that your child may fall in this category, please let us know by emailing us at enquiries@coxgreen.com before Monday 13th March.

Finally, we want every student to start the day positively so a reminder to all students that it is an expectation that everyone attends school with the correct uniform and equipment, ready to learn. Hoodies, nose piercings and trainers are not permitted and will be confiscated. Please also ensure that your child is wearing the correct tie. Thank you for your ongoing support with this.

Have a lovely weekend,
Mr Edwards, Headteacher

Can you help by offering a Work Experience setting for a Year 10 or Year 12 student?

Year 10 & 12 are currently searching for work experience for the end of the summer term 2023.

We are asking our School Community for help to secure any contacts that parents may have with their own employers, who would be willing to host one of our students.

Work Experience or Work Shadowing are both options we are keen to explore.
Work Shadowing is where students can move around different departments within a company every few hours.

Any questions or offers of placements please contact Mrs Thompson at h.thompson@coxgreen.com
