COX GREEN SCHOOL NEWSLETTER

Dear Parents and Carers,

Welcome back! We hope the students have had a restful break and are ready for the term ahead. As the students settle back in, the *What We Did This Week* section will return to the newsletter next week.

We have recently sent communications regarding our new mobile phone policy. If you haven't already, please take a moment to review the letter explaining the timeframe and introduction of the mobile phone pouches. Please find the link to the letter [here](#). After the May half term holidays, students in Year 7 to 10 will be expected to place their mobile phones into secure pouches upon entering the school site, which will then remain locked throughout the school day. When students leave site, they can then unlock their phones at the front of the school. There will be arrangements in place for students who require access to their mobile phone throughout the day for medical purposes. Next week in their assemblies, the students will be informed about the expectations moving forward.

We have prepared an information page on the school website for parents, which can be viewed [here](#). We continue to welcome your feedback and questions, please get in touch with us via enquiries@coxgreen.com.

We would like to remind Year 11 parents about the upcoming deadline for ordering the Year 11 Hoodies on Monday 20th April. Please be aware that students will need to complete the form emailed to them on their school email address in order to have their name included on the hoodie. If the form has not been completed by the student, their name will not appear on the hoodie, even if they have purchased one separately.

Year 11 Reminder:

Don't forget to order your hoodie! The deadline for ordering is 20th April 2026

Access to the Buildings:

Please be aware that the Cookham Building is access controlled, and students are only permitted to enter during lesson times (8:30 am – 3:00 pm).

This measure has been introduced because the building is not fully supervised outside of these hours, and we want to ensure student safety at all times. If your child needs to visit Reception or Finance before school, they will need to enter through the main front entrance between 8:15am – 8:30 am, where appropriate supervision is in place. During the school day, a member of staff will be on duty during break times to allow students supervised access to Reception or Finance:

Break 1: 11:00am – 11:30 am

Break 2: 1:30pm – 2:00 pm

Reminder: Save your bottles for Earth Day Monday 20th April 2026

We are still collecting 2 litre bottles for Earth Day this year! Please continue to donate any clean bottles to the school, as these will be used by the students to build the sustainable greenhouse.

If there are any parents and carers who have community links to recycling centres, we would love to hear from you for support with future projects!
