NEWSLETTER

Dear Parents and Carers,

Earlier this week, our school community came together to celebrate World Earth Day. Thank you to Miss Richardson for the organisation of the event and Miss Tsang for her support. The students engaged in a range of activities and you can read more about this on page 4 of the newsletter. The Sustainability Club are still collecting recycled 2 litre bottles for their greenhouse project! We have included an example photo of what we expect the sustainable greenhouse to look like when the project is completed. Please continue to donate any clean 2 litre bottles if you can. These can be dropped off at reception for the attention of Miss Richardson - every bottle donated makes a huge difference for our students. Thank you to everyone who has supported the students so far!

This week in Personal Development, Year 7, 8 and 9 welcomed guest speakers to discuss consent. *Talk Consent* work with secondary schools providing assemblies and workshops encouraging young people to discuss healthy relationships and consent. If you have any questions regarding the Personal Development curriculum, please contact Mr Hussain.

This week, our school joined in the global celebration of World Earth Day. This is an annual event demonstrating our commitment to environmental protection and encouraging a movement to increased sustainability.

Year 7, Year 9 and Year 10 had the option to start preparing the 'bricks' (made of the donated 2 litre water bottles) for the sustainable greenhouse or they could choose to take part in an escape room challenge.

Year 8 welcomed a guest speaker from Water Aid, while Year 12 watched a presentation from a representative from Greenpeace.

A huge thank you to Miss Richardson, Miss Tsang and our student representatives from Sustainability Club for making the event a success!

**WE NEED
YOUR HELP**

Our students still need your help with their sustainability garden! Any donations for garden equipment would go towards supporting the students with their project. We look forward to sharing updates and photos soon!

WHAT WE DID THIS WEEK

Year 10 students embarked on their Duke of Edinburgh Silver practice expedition in the beautiful Chiltern Hills. The conditions could not have been better for the expedition, and the students demonstrated impressive determination. Navigating through rolling hills, woodland paths and open countryside, they worked together to stay on route. Each obstacle was met with positivity and determination. Evenings at the campsite provided a chance to rest and reflect on the day's achievements. The students showed great independence and maintained good organisation within their teams. We look forward to seeing them build on their successes for their assessed expedition in July.

Year 11

Congratulations to our fantastic GCSE Drama students who successfully completed their practical exam! Thank you to our student helpers who assisted with the lunch queues before the Easter Holidays. This week, Year 11 have started the countdown to their final lessons ahead of their upcoming study leave.

On Thursday the 27th March, Mrs Clark and Miss Tsang attended a revision trip with Year 13 Sociology students. The trip to the tutor2u Sociology revision workshop was a great success. Held in a modern cinema auditorium, students were immediately engaged by the unique setting, which provided a focused environment free from any distractions. The day was well-structured, with three interactive morning sessions led by expert presenters who guided students through key content and exam techniques using dynamic activities on the big screen.

After a relaxing lunch break with plenty of food and shopping options, the students returned for a fast-paced and challenging afternoon session. The workshop placed strong emphasis on "every mark matters," helping students understand exactly what examiners are looking for and how to secure those often-missed marks. Overall, the experience was both enjoyable and highly valuable, boosting students' confidence and exam readiness.
