

COX GREEN SCHOOL NEWSLETTER

23 - 27
JUNE 2025

Dear Parents and Carers,

This week, we were delighted to welcome back our Year 11 students for their prom! On Thursday, the students took over Windsor Racecourse and it was wonderful to see them reunited and be able to celebrate the end of their exams. For the arrival parade, we saw several sports cars and limos, and even an appearance from a tractor! Congratulations to our Prom King, Franky Friend, and Prom Queen, Chiedza Chademunhu! We have included photo highlights from the prom in this week's edition of the newsletter, however we will be sharing a full online gallery for Year 11 students to view all of their photos taken by our staff photographers on the night. We will keep Year 11 parents updated, and we will be in touch when this is ready to view!

It was wonderful to see so many of our Year 11 students return for their Sixth Form Induction Day on Tuesday. Mr Burrows and the Sixth Form team were extremely impressed with the students' engagement and enthusiasm on the day. Thank you to our new student photographers who captured the events on the day.

We are expecting the warmer weather to continue next week and we will be sending further communication home with advice for the students staying cool and comfortable at school. We would ask that all students are reminded to bring a reusable water bottle to school to refill at break times.

Best wishes, Mr Edwards, Headteacher

SIXTH FORM INDUCTION DAY

On Tuesday 24th June, the Sixth Form team hosted an Induction Day for all offer holders for next year. The Induction Day gave the students an opportunity to find out more about the life of a Sixth Form student at Cox Green; experiencing the subjects they want to take and making the first steps in contributing to the vibrant Sixth Form community. Lessons saw students creating footprint castes in Criminology, creating a new political party in Government and Politics and a bidding war in Health and Social Care. Our Sports Academy candidates got a chance to showcase their skills in training sessions led by the Head Coach of Slough Town. Alongside attending lessons for their chosen subjects, students had the opportunity to experience 'enrichment' activities. Enrichment is timetabled for all Sixth Form students and provides all Sixth Formers the opportunity to learn skills or gain experiences outside of the normal classroom environment. This ranges from the Extended Project Qualification, to working in local primary schools. On Tuesday, students got a small glimpse into the enrichment offers by cooking with Mrs Basher, getting creative during crafts with Mrs Morgan-Russell, and debating with Miss Leary. All in all, the students had a great day and impressed staff with their preparedness for Sixth Form study.

All offer holders are reminded to book an 'enrolment interview' on Results' Day and to accept their Sixth Form offer for next year. If any student has concerns about this, please contact the Sixth Form team directly.
